ATTORNEY GENERAL OF TEXAS

August 12, 2019

Ms. Ileana Fernandez
Assistant City Attorney
City of Mesquite
P. O. Box 850137
Mesquite, Texas 75185-0137

OR2019-22224

Dear Ms. Fernandez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 779872.

The City of Mesquite (the "city") received a request for information related to a specified traffic accident. You state you will release some information. You state you will withhold living individuals' dates of birth pursuant to Open Records Letter No. 2015-24970 (2015).¹ You claim portions of the submitted recordings are excepted from disclosure under section 552.101, 552.130, and 552.136 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note the submitted information includes police officers' body worn camera recordings. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661 provides, in relevant part, the following:

- (a) A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

¹ Open Records Letter No. 2015-24970 authorizes the city to withhold the dates of birth of public citizens under section 552.101 of the Government Code in conjunction with common-law privacy without requesting a decision from this office.

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not provide the requisite information under section 1701.661(a). As the body worn camera recordings at issue were not properly requested pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information and it need not be released.² However, pursuant to section 1701.661(b), a “failure to provide all the information required by [s]ubsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b).

Section 552.130 of the Government Code provides information relating to a motor vehicle operator’s license, driver’s license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov’t Code § 552.130. We note section 552.130 protects personal privacy. Thus, the requestor has a right of access to her client’s motor vehicle record information and this information may not be withheld from this requestor under section 552.130 of the Government Code. *See id.* § 552.023(a) (person or person’s authorized representative has special right of access to records that contain information relating to the person that are protected from public disclosure by laws intended to protect that person’s privacy interests); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individual requests information concerning himself). Accordingly, the city must withhold the audible and discernible license plates that do not belong to the requestor’s client under section 552.130 of the Government Code. The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
