ATTORNEY GENERAL OF TEXAS

August 13, 2019

Mr. James Kopp  
Assistant City Attorney  
City of San Antonio  
P.O. Box 839966  
San Antonio, Texas 78207

OR2019-22295

Dear Mr. Kopp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 780168 (COSA File No. W265778).

The City of San Antonio (the "city") received a request for a specified offense report involving the requestor. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we must address the city's obligations under section 552.301 of the Government Code, which prescribes the procedures a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. Section 552.301(b) requires that a governmental body ask for a decision from this office and state the exceptions that apply within ten business days of receiving the written request. Gov't Code § 552.301(b). Section 552.301(e) requires the governmental body to submit to the attorney general, not later than the fifteenth business day after the date of the receipt of the request: (1) written comments stating why the governmental body's claimed exceptions apply to the information that it seeks to withhold; (2) a copy of the written request for information; (3) a signed statement of the date on which the governmental body received the request or evidence sufficient to establish that date; and (4) the specific information that the governmental body seeks to withhold or representative samples if the information is voluminous. *Id.* § 552.301(e)(1).

You state the city received the request for information on May 20, 2019. We note this office does not count the date the request was received or holidays for the purposes of calculating a governmental body's deadlines under the Act. You inform this office May 27, 2019, was a holiday for the city. Accordingly, we find the city's ten- and fifteen-business-day deadlines were June 4, 2019, and June 11, 2019, respectively. However, the envelope in which the city provided the information required by section 552.301(b) was meter-marked June 5, 2019. Additionally, the envelope in which the city provided the information required by section 552.301(e) was meter-marked July 1, 2019. *See id.* § 552.308 (describing rules for calculating submission dates of documents sent via first class United States mail, common or contract carrier, or interagency mail). Thus, the city failed to comply with the requirements mandated by section 552.301.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. Gov't Code § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381-82 (Tex. App.—Austin 1900, no writ). The city claims section 552.101 of the Government Code for the submitted information. Because section 552.101 can provide a compelling reason to overcome the presumption of openness, we will address your argument under this section for the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information made confidential by other statutes, such as section 261.201 of the Family Code, which provides, in relevant part:

(a) [T]he following information is confidential, is not subject to public release under [the Act], and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

(1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and

(2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

Fam. Code § 261.201(a). Upon review, we find the submitted information was used or developed in an investigation conducted under chapter 261 of the Family Code, so as to fall

within the scope of section 261.201(a). *See id.* §§ 101.003(a) (defining “child” for purposes of section 261.201), 261.001(1), (4) (defining “abuse” and “neglect” for purposes of section 261.201 of Family Code). You have not indicated the city has adopted a rule governing the release of this type of information. Therefore, we assume no such regulation exists. Given that assumption, the submitted information is confidential under section 261.201 of the Family Code and the city must withhold the submitted information in its entirety under section 552.101 of the Government Code in conjunction with section 261.201(a) of the Family Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
