

**KEN PAXTON**  
ATTORNEY GENERAL OF TEXAS

August 16, 2019

Mr. W. Montgomery Meitler  
Senior Counsel  
Texas Education Agency  
1701 North Congress Avenue  
Austin, Texas 78701-1494

OR2019-22752

Dear Mr. Meitler:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 781031 (TEA PIR 38398).

The Texas Education Agency (the "agency") received a request for the winning proposal submitted in response to a specified request for qualifications. Although you take no position regarding whether the submitted information is excepted from disclosure, you state its release may implicate the proprietary interests of Resource Integrators, L.L.C. Accordingly, you state, and provide documentation showing, you notified this third party of the request and its right to submit arguments to this office. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have reviewed the submitted information.

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice to submit its reasons, if any, as to why information relating to that party should not be released. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this ruling, we have not received comments from the third party. Thus, we have no basis to conclude the third party has a protected proprietary interest in the submitted responsive information. *See id.* § 552.110(a)-(b); Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested

information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3. Accordingly, the agency may not withhold any of the submitted responsive information on the basis of any proprietary interest the third party may have in the information. The agency must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Public Information Act may be directed to the Cost Rules Administrator of the OAG, toll free, at (888) 672-6787.

Sincerely,

Britni Ramirez  
Assistant Attorney General  
Open Records Division
