OR2019-23151

Dear Mr. Safi:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 781529 (ORR# W001966-052819).

The El Paso Independent School District (the "district"), which you represent, received a request for a specified incident report and information pertaining to named employees. The district states it has released some of the requested information, but claims the submitted information is excepted from disclosure under sections 552.101, 552.108, and 552.152 of the Government Code. We have considered the claimed exceptions and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 58.008(b) of the Family Code, which provides as follows:

Except as provided by Subsection (d), law enforcement records concerning a child and information concerning a child that are stored by electronic means or otherwise and from which a record could be generated may not be disclosed to the public and shall be:

- (1) if maintained on paper or microfilm, kept separate from adult records;
- (2) if maintained electronically in the same computer system as adult records, accessible only under controls that are separate and distinct from the controls to access electronic data concerning adults; and
- (3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subsection (c) or Subchapter B, D, or E.

Fam. Code § 58.008(b); *see also id.* §§ 51.03(a)-(b) (defining “delinquent conduct” and “conduct indicating a need for supervision” for purposes of title 3 of Family Code). Section 58.008(b) is applicable to records of juvenile conduct that occurred before, on, or after September 1, 2017. *See* Act of May 28, 2017, 85th Leg., R.S., ch. 746, § 22, 2017 Tex. Sess. Law Serv. 3173, 3187. The juvenile must have been at least ten years old and less than seventeen years of age when the conduct occurred. *See* Fam. Code § 51.02(2) (defining “child” for purposes of title 3 of Family Code). We find incident report number 18-1200125 involves a juvenile offender, so as to fall within the scope of section 58.008(b). The exceptions in section 58.008 do not appear to apply. Therefore, the district must withhold incident report number 18-1200125 under section 552.101 of the Government Code in conjunction with section 58.008(b) of the Family Code.¹

Section 552.152 of the Government Code provides the following:

Information in the custody of a governmental body that relates to an employee or officer of the governmental body is excepted from the requirements of Section 552.021 if, under the specific circumstances pertaining to the employee or officer, disclosure of the information would subject the employee or officer to a substantial threat of physical harm.

Gov’t Code § 552.152. Upon review, we find the district has failed to demonstrated release of any of the remaining information would subject an employee or officer of the district to a substantial threat of physical harm. Therefore, the district may not withhold any of the remaining information under section 552.152 of the Government Code.

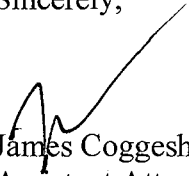

In summary, the district must withhold incident report number 18-1200125 under section 552.101 of the Government Code in conjunction with section 58.008(b) of the Family Code. The district must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

¹As our ruling is dispositive, we do not address the other arguments of the district to withhold this information.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
