

**KEN PAXTON**  
ATTORNEY GENERAL OF TEXAS

August 21, 2019

Mr. Gary A. Scott  
Assistant City Attorney  
City of Conroe  
P. O. Box 3066  
Conroe, Texas 77305

OR2019-23215

Dear Mr. Scott:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 781893.

The City of Conroe (the "city") received a request for all records related to a specified incident. You state you released some information. You claim a portion of the submitted information was not properly requested under chapter 1701 of the Occupations Code. You further claim some of the submitted information is excepted from disclosure under section 552.130 of the Government Code. We have considered the submitted arguments and reviewed the submitted information.

Initially, you note, and we agree, the submitted information includes police officers' body worn camera recordings. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;

- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not give the requisite information under section 1701.661(a). As the requestor did not properly request the body worn camera recordings at issue pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information and it need not be released. However, pursuant to section 1701.661(b), a “failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b).

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. Section 552.101 encompasses information subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator’s accident report), .062 (officer’s accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity shall release an accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c).

Here, the requestor is a person listed under section 550.065(c). You assert section 552.130 of the Government Code for the motor vehicle record information contained in the accident report. Section 552.130 excepts from disclosure information relating to a motor vehicle operator’s license, driver’s license, motor vehicle title, or registration issued by an agency of this state or another state or country. *See* Gov’t Code § 552.130(a)(1)-(2). A statutory right of access generally prevails over the Act’s general exceptions to disclosure. *See* Open Records Decision Nos. 613 at 4 (1993), 451 at 4 (1986). However, because section 552.130 has its own access provisions, we conclude section 552.130 is not a general exception under the Act. Thus, we must address the conflict between the confidentiality provided under section 552.130 of the Government Code and the right of access provided under section 550.065(c) of the Transportation Code for the accident report. Where information falls within both a general and a specific provision of law, the specific provision prevails over the general. *See Horizon/CMS Healthcare Corp. v. Auld*, 34 S.W.3d 887, 901 (Tex. 2000) (“more specific statute controls over the more general”); *Cuellar v. State*, 521 S.W.2d 211 (Tex. Crim. App. 1975) (under well-established rule of statutory construction, specific

statutory provisions prevail over general ones); Open Records Decision Nos. 598 (1991), 583 (1990), 451. Section 550.065(c) specifically provides access only to accident reports of the type at issue, while section 552.130 generally excepts motor vehicle record information maintained in any context. Thus, we conclude the access to accident report provided under section 550.065(c) is more specific than the general confidentiality provided under section 552.130. Accordingly, the city may not withhold the motor vehicle information at issue under section 552.130. Thus, the city must release the accident report to the requestor pursuant to section 550.065(c) of the Transportation Code.

As noted above, section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. We note section 552.130 protects personal privacy. The requestor has a right of access to her client's motor vehicle record information pursuant to section 552.023 of the Government Code. *See id.* § 552.023(a) (governmental body may not deny access to person to whom information relates or person's agent on ground that information is considered confidential by privacy principles); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individuals request information concerning themselves). We note the remaining recordings contain motor vehicle record information subject to section 552.130. Thus, with the exception of the motor vehicle record information of the requestor's client, the city must withhold any audible or visible license plates and motor vehicle registration information in the remaining recordings and the information we marked under section 552.130 of the Government Code.

In summary, as the requestor did not properly request the body worn camera recordings at issue pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information and it need not be released. The city must release the accident report to the requestor pursuant to section 550.065(c) of the Transportation Code. With the exception of the motor vehicle record information of the requestor's client, the city must withhold any audible or visible license plates and motor vehicle registration information in the remaining recordings and the information we marked under section 552.130 of the Government Code. The city must release the remaining information.<sup>1</sup>

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

---

<sup>1</sup> We note the requestor has a right of access to some of the information being released. *See* Gov't Code § 552.023(a); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individuals request information concerning themselves). Thus, the city must again seek a decision from this office if it receives another request for the same information from another requestor.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
