

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

August 21, 2019

Mr. Omar Ochoa
City Attorney
City of Edinburg
P.O. Box 1079
Edinburg, Texas 78540

OR2019-23252

Dear Mr. Ochoa:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 782011 (Ref. No. 06-368-19).

The City of Edinburg (the "city") received a request for the permits and plans for a specified address. The city states the permits will be released to the requestor. Although the city takes no position as to whether the submitted information is excepted under the Act, the city states the release of the submitted information may implicate the interests of a third party. Accordingly, you state, and provide documentation showing, you notified the third party of the request for information and of his right to submit arguments to this office as to why the submitted information should not be released. *See* Gov't Code §§ 552.304 (interested party may submit comments stating why information should or should not be released), .305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have reviewed the submitted information.

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received comments from the notified third party explaining why the information at issue should not be released. Thus, we have no basis to conclude any of the interested third party has a protected proprietary interest in the submitted information. *See id.* § 552.110(a)-(b); Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of

requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3. Accordingly, the city may not withhold any portion of the submitted information on the basis of any interest the third party may have in it. The city must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839.
