Re: Request for ten categories of information regarding case 19000272 involving a named individual on 02/24/19.

Dear Ms. Rodriguez:

The Office of the Attorney General has received your request for a ruling and assigned your request ID# 781469.

After reviewing your arguments and the submitted information, we have determined your request does not present a novel or complex issue. Thus, we are addressing your claims in a memorandum opinion. In this instance, the requestor does not give the requisite information under section 1701.661(a) of the Occupations Code for some of the submitted body worn camera recordings. As the requestor did not properly request these body worn camera recordings pursuant to chapter 1701, our ruling does not reach this information and it need not be released. You claim the remaining submitted body worn camera recording must be withheld from the requestor. Upon review of your arguments and the submitted information, we conclude you must withhold the remaining submitted body worn camera recording pursuant to section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code.
