Re: Request for Case #2019-004599; File #A19-000941

Dear Ms. Whitten:

The Office of the Attorney General has received your request for a ruling and assigned your request ID# 784248.

After reviewing your arguments and the submitted information, we have determined your request does not present a novel or complex issue. Thus, we are addressing your claims in a memorandum opinion. You state the city is releasing some information to the requestor. You claim the submitted information must be withheld from the requestor. In this instance, we note the requestor does not give the requisite information under section 1701.661(a) of the Occupations Code for two of the body worn camera recordings, which we have indicated. As the requestor did not properly request the body worn camera recordings at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released. Upon review of your arguments and the remaining information, we conclude you must withhold the remaining submitted information pursuant to section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code.

For more information on the cited exception, please refer to the open government information on our website at <https://www.texasattorneygeneral.gov/open-government/governmental-bodies/open-records-memorandum-rulings>. You may also contact our Open Government Hotline at 1-877-OPENTEX.
