

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

August 23, 2019

Mr. Thomas M. Gilliland
Public Information Officer
Harris County Sheriff's Office
1200 Baker Street, 2nd Floor
Houston, Texas 77002-1206

OR2019-23654

Dear Mr. Gilliland:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 782277 (HCSO File No. 19SO9002112).

The Harris County Sheriff's Office (the "sheriff's office") received a request for information pertaining to a specified case. The sheriff's office states it will release some information to the requestor. The sheriff's office claims the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception the sheriff's office claims and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by section 411.153 of the Government Code, which provides as follows:

- (a) A DNA record stored in the DNA database is confidential and is not subject to disclosure under [the Act].
- (b) A person commits an offense if the person knowingly discloses to an unauthorized recipient information in a DNA record or information related to a DNA analysis of a sample collected under this subchapter.
- (c) An offense under this section is a state jail felony.
- (d) A violation under this section constitutes official misconduct.

Gov't Code § 411.153. A "DNA record" means the results of a forensic DNA analysis performed by a DNA laboratory. *See id.* § 411.141(6)-(7). "Forensic analysis" is defined as "a medical, chemical, toxicologic, ballistic, or other expert examination or test performed on physical evidence, including DNA evidence, for the purpose of determining the connection of the evidence to a criminal action." *See* Crim. Proc. Code art. 38.35(4); *see also* Gov't Code § 411.141(10) (providing that "forensic analysis" has meaning assigned by article 38.35). A "DNA database" means "one or more databases that contain forensic DNA records maintained by the director of [the Department of Public Safety ("DPS")]." Gov't Code § 411.141(5); *see id.* § 411.001(3).

The director of DPS is required to establish certain procedures for DNA laboratories. *See id.* §§ 411.142(h) (requiring director establish standards for DNA analysis), .144(a). Section 411.144 of the Government Code provides a DNA laboratory conducting a forensic DNA analysis under subchapter G of chapter 411 shall comply with subchapter G and the rules adopted under subchapter G. *See id.* § 411.144(d); 37 T.A.C. §§ 28.81, .82 (describing minimum standards by which forensic DNA laboratory must abide); *see also* Gov't Code § 411.147(b).

Upon review, we find the submitted information does not consist of records relating to DNA analyses of samples collected under subchapter G of chapter 411 of the Government Code. Therefore, the sheriff's office may not withhold the submitted information under section 552.101 of the Government Code in conjunction with section 411.153 of the Government Code. Accordingly, the sheriff's office must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable
