Pasadena Independent School District

Dear Ms. Kennemer:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 781234.

The Pasadena Independent School District (the "district") received two requests from different requestors for bid tabulations pertaining to a specified bid, including information regarding pricing per item and the winning vendors. Although the district takes no position regarding whether the submitted information is excepted from disclosure, the district states its release may implicate the proprietary interests of several third parties.¹ Accordingly, the district states it notified the interested third parties of the request for information and of their right to submit arguments to this office. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have reviewed the submitted information.

¹We note the district did not comply with the requirements of section 552.301 of the Government Code in requesting a ruling from this office. *See* Gov't Code § 552.301(b). Nonetheless, third party interests can provide a compelling reason to overcome the presumption of openness caused by a failure to comply with section 552.301. *See id.* §§ 552.007, .302; Open Records Decision No. 150 at 2 (1977). Thus, we will consider whether the submitted information is excepted from disclosure under the Act, notwithstanding the district's violation of section 552.301 in requesting this ruling.

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) of the Government Code to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received comments from any interested third party explaining why the information at issue should not be released. Thus, we have no basis to conclude any of the interested third parties have a protected proprietary interest in the submitted information. *See id.* § 552.110; Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3. Therefore, the district may not withhold the submitted information on the basis of any proprietary interest any interested third party may have in the information. Accordingly, the district must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839. James M. Graham
