

**KEN PAXTON**  
ATTORNEY GENERAL OF TEXAS

August 26, 2019

Mr. James Kopp  
Assistant City Attorney  
City of San Antonio  
P. O. Box 839966  
San Antonio, Texas 78207

OR2019-23742

Dear Mr. Kopp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 782606 (COSA File No. W268051).

The City of San Antonio (the "city") received a request for six categories of information pertaining to the city's impound facility and Santander Consumer USA, Inc ("Santander"). The city claims the submitted information is excepted from disclosure under section 552.103 of the Government Code. We have considered the exception the city claims and reviewed the submitted representative sample of information.

Initially, we note the city has not submitted information responsive to the portion of the request for any permits issued to any entities to run the city's impound lot. Although the city states it has submitted a representative sample of the requested information, we find the submitted information is not representative of all the types of information to which the requestor seeks access. Please be advised, this open records letter ruling applies only to the types of information you have submitted for our review. This ruling does not authorize the city to withhold any information that is substantially different from the types of information you submitted to this office. *See* Gov't Code § 552.302 (where request for attorney general decision does not comply with requirements of Gov't Code § 552.301, information at issue is presumed to be public). Accordingly, to the extent any such information existed on the date the city received the request, we assume the city has released it. If the city has not released any such information, it must do so at this time. *See id.* §§ 552.301(a), .302; *see*

*also* Open Records Decision No. 664 (2000) (if governmental body concludes no exceptions apply to requested information, it must release information as soon as possible).

Next, we note some of the submitted information is subject to section 552.022 of the Government Code. Section 552.022(a) provides, in relevant part:

(a) [T]he following categories of information are public information and not excepted from required disclosure unless made confidential under this chapter or other law:

(3) information in an account, voucher, or contract relating to the receipt or expenditure of public or other funds by a governmental body[.]

Gov't Code § 552.022(a)(3). The submitted documents include information in an account, contract, or voucher relating to the receipt or expenditure of funds by the city that is subject to section 552.022(a)(3). This information must be released unless it is made confidential under the Act or other law. *See id.* The city seeks to withhold the information subject to section 552.022(a)(3) under section 552.103 of the Government Code. However, section 552.103 is discretionary in nature and does not make information confidential under the Act. *See Dallas Area Rapid Transit v. Dallas Morning News*, 4 S.W.3d 469, 475-76 (Tex. App.—Dallas 1999, no pet.) (governmental body may waive Gov't Code § 552.103); *see also* Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions). Therefore, the city may not withhold the information subject to section 552.022(a)(3), which we have marked, under section 552.103 of the Government Code. However, because section 552.130 of the Government Code makes information confidential under the Act, we will consider the applicability of section 552.130 to the information at issue.<sup>1</sup>

Section 552.103 of the Government Code provides, in relevant part:

(a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or employee of the state or a political subdivision, as a consequence of the person's office or employment, is or may be a party.

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure under Subsection (a) only if the litigation is pending or reasonably

---

<sup>1</sup>The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

anticipated on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Gov't Code § 552.103(a), (c). The governmental body claiming section 552.103 has the burden of providing relevant facts and documents sufficient to establish the applicability of section 552.103 to the information it seeks to withhold. To meet this burden, the governmental body must demonstrate: (1) litigation was pending or reasonably anticipated on the date of its receipt of the request for information, and (2) the information at issue is related to that litigation. *See Univ. of Tex. Law Sch. v. Tex. Legal Found.*, 958 S.W.2d 479 (Tex. App.—Austin 1997, orig. proceeding); *Heard v. Houston Post Co.*, 684 S.W.2d 210 (Tex. App.—Houston [1st Dist.] 1984, writ ref'd n.r.e.). Both elements of the test must be met in order for information to be excepted from disclosure under section 552.103. *See Open Records Decision No. 551 at 4 (1990).*

The city states, and provides documentation showing, prior to the city's receipt of the instant request, seven lawsuits were filed and are currently pending against the city relating to Santander and the city's impound facility. Therefore, we agree litigation was pending on the date the city received the present request for information. The city also states the information at issue pertains to the substance of the lawsuits. Based on the city's representations and our review, we find the information at issue is related to the pending litigation. Therefore, we conclude the city may withhold the information not subject to section 552.022(a)(3) of the Government Code under section 552.103 of the Government Code.

Generally, however, once information has been obtained by all parties to the litigation though discovery or otherwise, no section 552.103(a) interest exists with respect to that information. *See Open Records Decision Nos. 349 (1982), 320 (1982).* Thus, information that has either been obtained from or provided to all parties to the pending litigation is not excepted from disclosure under section 552.103(a) and must be disclosed. Further, the applicability of section 552.103(a) ends once the litigation has concluded. *See Attorney General Opinion MW-575 (1982); see also Open Records Decision No. 350 (1982).*

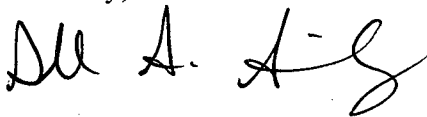

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See Gov't Code § 552.130.* Accordingly, the city must withhold the motor vehicle record information we have marked under section 552.130 of the Government Code.

In summary, the city may withhold the information not subject to section 552.022(a)(3) of the Government Code under section 552.103 of the Government Code. The city must withhold the motor vehicle record information we have marked under section 552.130 of the Government Code. The city must release the remaining information pursuant to section 552.022(a)(3) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
