ATTORNEY GENERAL OF TEXAS

August 26, 2019

Mr. Trey Qualls  
Assistant City Attorney  
City of Fort Worth  
200 Texas Street, 3rd Floor  
Fort Worth, Texas 76102-6311

OR2019-23745

Dear Mr. Qualls:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 782593 (PIR No. W086304).

The Fort Worth Police Department (the "department") received a request for fourteen categories of information pertaining to a specified accident. The department states it has released some information to the requestor. The department claims the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception the department claims and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information made confidential by other statutes. The submitted information consists of department officers' body worn camera recordings. Body worn cameras are subject to chapter 1701 of the Occupations Code. Section 1701.661(a) of the Occupations Code states the information a requestor must provide when seeking a body worn camera recording. *See* Occ. Code § 1701.661(a). We note the requestor provides the requisite information for the body worn camera recordings at issue. We understand the submitted recordings were required to be made by law or the policies of the department and the recordings relate to a law enforcement purpose. *See id.* § 1701.661(h). Further, we understand the recordings are or could be used as evidence in a criminal prosecution. *See id.* § 1701.661(d). Additionally, we have no indication the recordings document an incident that involves the use of deadly force by an officer or relates to an administrative or criminal investigation of an officer. *See id.* § 1701.660(a). We note, however, section 1701.661(f) provides, in relevant part:

A law enforcement agency may not release any portion . . . of a recording involving the investigation of conduct that constitutes a

misdemeanor punishable by fine only and does not result in arrest, without written authorization from the person who is the subject of that portion of the recording or, if the person is deceased, from the person's authorized representative.

*Id.* § 1701.661(f). The department states the submitted recordings pertain to the investigation of conduct that constitutes a misdemeanor punishable by fine only and which did not result in an arrest. The department informs us it has not received written authorizations for release from all of the subjects of the recordings. *See id.* Accordingly, we find the department must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code.

The department asks this office to issue a previous determination that would permit it to withhold certain body worn camera recordings under section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code without the necessity of requesting a decision from this office. We decline to issue such a previous determination at this time. Accordingly, this letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Public Information Act may be directed to the Cost Rules Administrator of the OAG, toll free, at (888) 672-6787.

Sincerely,

Matthew Taylor  
Assistant Attorney General
