Ms. Ana Vieira Ayala
Assistant General Counsel, Legal Expert & Public Information Coordinator
University of Texas System

Dear Ms. Ayala:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 782679 (OGC# 190699).

The University of Texas System (the "system") received a request for specified contracts.¹ Although you take no position with respect to the public availability of the requested information, you state release of this information may implicate the proprietary interests of Seton Healthcare Family ("Seton"). Accordingly, you state and provide documentation showing, you have notified Seton of the request for information and of its right to submit arguments to this office as to why the requested information should not be released. *See* Gov't Code § 552.305 (permitting interested third party to submit to attorney general reasons why requested information should not be released); Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permitted governmental body to rely on interested third party to raise and explain applicability of exception to disclosure under the circumstances). We have reviewed the submitted information.

¹ We note the system sought and received clarification of the information requested. *See* Gov't Code § 552.222 (providing if request for information is unclear, governmental body may ask requestor to clarify request); *see also* *City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding when governmental entity, acting in good faith, requests clarification of unclear or overbroad request for public information, ten-business-day period to request attorney general opinion is measured from date request is clarified or narrowed).

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice to submit its reasons, if any, as to why information relating to that party should not be released. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received arguments from Seton. Thus, Seton has not demonstrated it has a protected proprietary interest in any of the submitted information. *See id.* § 552.110(a)-(b); Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3. Accordingly, the system may not withhold the submitted information on the basis of any proprietary interests Seton may have in the information. The submitted information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Public Information Act may be directed to the Cost Rules Administrator of the OAG, toll free, at (888) 672-6787.

Sincerely,

Erin Groff
