OR2019-24042

Dear Ms. Wendt:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 783356 (Reference No. 25996).

The City of Houston (the "city") received a request for information pertaining to certain tax revenue.¹ You state the city does not have a portion of the requested information.² You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.³

¹We note the city sought and received clarification of the information requested. *See* Gov't Code § 552.222 (providing if request for information is unclear, governmental body may ask requestor to clarify request); *see also* City of Dallas v. Abbott, 304 S.W.3d 380, 387 (Tex. 2010) (holding when governmental entity, acting in good faith, requests clarification of unclear or overbroad request for public information, ten-business-day period to request attorney general opinion is measured from date request is clarified or narrowed).

²The Act does not require a governmental body to release information that did not exist when a request for information was received or to prepare new information in response to a request. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266, 267-68 (Tex. Civ. App.—San Antonio 1978, writ *dism'd*); Open Records Decision Nos. 605 at 2 (1992), 452 at 3 (1986), 362 at 2 (1983).

³We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. Section 552.101 encompasses section 321.3022 of the Tax Code, which provides in part:

(a-1) Except as otherwise provided by this section, the [Texas Comptroller of Public Accounts (the “comptroller”)] on request shall provide to a municipality or other local governmental entity that has adopted a tax under [chapter 321 of the Tax Code]:

(1) information relating to the amount of tax paid to the municipality or other local governmental entity under [chapter 321 of the Tax Code] during the preceding or current calendar year by each person doing business in the municipality or other local governmental entity who annually remits to the comptroller state and local sales tax payments of more than \$5,000; and

(2) any other information as provided by this section.

...

(f) Information received by a municipality or other local governmental entity under this section is confidential, is not open to public inspection, and may be used only for the purpose of economic forecasting, for internal auditing of a tax paid to the municipality or other local governmental entity under [chapter 321 of the Tax Code], or for the purpose described in Subsection (g).

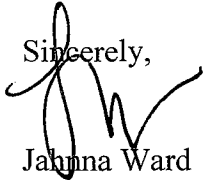

(g) Information received by a municipality or other local governmental entity under Subsection (b) may be used by the municipality or other local governmental entity to assist in determining revenue sharing under a revenue sharing agreement or other similar agreement.

Tax Code § 321.3022(a-1), (f)-(g). You state the submitted information is tax information obtained from the comptroller pursuant to section 321.3022(a-1). We have no indication the information at issue is being sought for economic forecasting, to conduct an internal audit, or on behalf of the city to determine revenue sharing under a revenue sharing agreement. Based on the submitted representations and our review, we find the submitted information is confidential under section 321.3022(f) of the Tax Code, and the city must withhold the submitted information under section 552.101 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
