

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

August 28, 2019

Ms. Josi Diaz
Assistant City Attorney
City of Dallas
1400 South Lamar, 6th Floor. 6W
Dallas, Texas 75215

OR2019-24049

Dear Ms. Diaz:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 785216 (ORR## D01650 and D016437).

The Dallas Police Department (the "department") received two requests for information pertaining to a specified motor vehicle accident. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.¹

Initially, we note, and you acknowledge, the department failed to meet the statutory deadlines imposed by section 552.301 of the Government Code for the requested information. *See* Gov't Code § 552.301(b), (e). Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381-

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

82 (Tex. App.—Austin 1990, no writ); *see also* Open Records Decision No. 630 (1994). The need of a governmental body, other than the one that failed to timely seek an open records decision, to withhold information under section 552.108 can provide a compelling reason under section 552.302. Open Records Decision No. 586 (1991). You assert, and provide documentation showing, the Dallas County District Attorney’s Office (the “district attorney’s office”) has a law enforcement interest in the submitted information. Therefore, we will consider whether the department may withhold the submitted information on behalf of the district attorney’s office under section 552.108.

Next, we note the submitted information includes body worn camera recordings. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestors do not give the requisite information under section 1701.661(a) for some of the submitted body worn camera recordings. As the requestors did not properly request the body worn camera recordings at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released.¹ However, pursuant to section 1701.661(b), a “failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b). We note the requestors provide the requisite information for the remaining body worn camera recordings. Thus, we will address the department’s arguments against disclosure of the remaining body worn camera recordings.

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. Section 552.101 encompasses information subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to

¹As our ruling is dispositive, we need not address your arguments against disclosure of this information.

or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator's accident report), .062 (officer's accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity must release an accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c).

The remaining information includes a CR-3 accident report form. Here, the requestors are persons listed under section 550.065(c). Although the department asserts section 552.108 to withhold the information, a statutory right of access prevails over the Act's general exceptions to public disclosure. *See, e.g.,* Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exception to disclosure under the Act). Because section 552.108 is a general exception under the Act, the requestors' statutory access under section 550.065(c) prevails and the department may not withhold the information under section 552.108 of the Government Code. Thus, the department must release the accident report to the requestors pursuant to section 550.065(c) of the Transportation Code.

Section 552.108(a) of the Government Code excepts from disclosure "[I]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if: (1) release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). Generally, a governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state, and submit documentation demonstrating, the district attorney's office objects to the release of the information you marked because it pertains to a pending criminal investigation or prosecution. Based upon this representation, we conclude section 552.108(a)(1) is applicable, and the release of the information you marked would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, the department may withhold the information you marked under section 552.108(a)(1) of the Government Code on behalf of the district attorney's office.

Section 552.101 also encompasses the doctrine of common-law privacy. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). Under the common-law right of privacy, an individual has a right to be free from the publicizing of private affairs in which the public has no legitimate concern. *Id.* at 682. The court of appeals has concluded public citizens' dates of birth are protected by common-law privacy pursuant to section 552.101. *See Paxton v. City of Dallas*, No. 03-13-00546-CV, 2015 WL 3394061, at *3

(Tex. App.—Austin May 22, 2015, pet. denied) (mem. op.). Thus, the department must withhold the public citizens' dates of birth it marked under section 552.101 of the Government Code in conjunction with common-law privacy.

In summary, as the requestors did not properly request some of the body worn camera recordings at issue pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information and it need not be released. The department must release the accident report to the requestors pursuant to section 550.065(c) of the Transportation Code. The department may withhold the information it marked under section 552.108(a)(1) of the Government Code on behalf of the district attorney's office. The department must withhold the date of births it marked under section 552.101 of the Government Code in conjunction with common-law privacy. The remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
