

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

August 28, 2019

Mr. Vincent Harding
Associate General Counsel
Fort Bend Independent School District
16431 Lexington Boulevard
Sugar Land, Texas 77479

OR2019-24061

Dear Mr. Harding:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 783115 (Ref. Nos. 22782 & 22783).

The Fort Bend Independent School District (the "district") received two requests from the same requestor for information pertaining to RFP 19-034LJ Child Software Systems. Although the district takes no position as to whether the requested information is excepted under the Act, the district states release of the requested information may implicate the proprietary interests of certain third parties. Accordingly, the district states it notified the third parties of the requests for information and of the right to submit arguments to this office as to why the requested information should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances).

We must address the district's obligations under the Act. Section 552.301 of the Government Code prescribes the procedures a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. Pursuant to section 552.301(e), a governmental body is required to submit to this office within fifteen business days of receiving an open records request (1) written comments stating the reasons why the claimed exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. Gov't Code § 552.301(e). You state, and provide documentation demonstrating, the district received the requests for information on June 12, 2019. However, as of the date of this letter, the district has not submitted to this office a copy or representative sample of the information requested.¹

¹ Although the district refers to an enclosed CD labelled Exhibit B that contains the responsive information, we note the submitted briefs did not include an Exhibit B.

Accordingly, we conclude the district failed to comply with the requirements of section 552.301(e).

Pursuant to section 552.302 of the Government Code, a governmental body's failure to submit to this office the information required in section 552.301(e) results in the legal presumption that the requested information is public and must be released. Information that is presumed public must be released unless a governmental body demonstrates a compelling reason to withhold the information to overcome this presumption. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ); *see also* Open Records Decision No. 630 (1994). Third party interests can provide a compelling reason to overcome the presumption of openness caused by a failure to comply with section 552.301. *See* Gov't Code § 552.302; Open Records Decision No. 150 (1977) (construing predecessor statute). We note an interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). As the district has not provided a copy of the requested information for our review, and the interested third parties have not submitted arguments objecting to disclosure of the requested information, we have no basis for finding any of the requested information excepted from disclosure. Thus, we have no choice but to order the district to release the requested information in accordance with section 552.302 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
