Dear Mr. Narvaez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 783284 (City ID No. P011519-051619).

The City of McKinney (the "city"), which you represent, received a request for information pertaining to a specified vehicle accident.¹ You state the city has released some information. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information made confidential by other statutes. The submitted information consists of recordings from city police officers' body worn cameras. Body worn cameras are subject to chapter 1701 of the Occupations Code. Section 1701.661(a) of the Occupations Code states the information a requestor must provide when seeking a body worn camera recording. *See* Occ. Code § 1701.661(a). We note the requestor provides the requisite information for the body worn camera recordings at issue.

¹You inform us the city sent the requestor an estimate of charges pursuant to section 552.2615 of the Government Code. *See* Gov't Code § 552.2615. The estimate of charges required the requestor to provide a deposit for payment of anticipated costs under section 552.263 of the Government Code. *See id.* § 552.263(a). You inform us the city received the required deposit on June 10, 2019. *See id.* § 552.263(e) (if governmental body requires deposit or bond for anticipated costs pursuant to section 552.263, request for information is considered to have been received on date governmental body receives bond or deposit).

We understand the submitted recordings were required to be made by law or the policies of the city's police department and the recordings relate to a law enforcement purpose. *See id.* § 1701.661(h). Further, we understand the recordings are or could be used as evidence in a criminal prosecution. *See id.* § 1701.661(d). Additionally, we have no indication the recordings document an incident that involves the use of deadly force by an officer or relate to an administrative or criminal investigation of an officer. *See id.* § 1701.660(a). However, section 1701.661(f) provides:

A law enforcement agency may not release any portion of a recording made in a private space, or of a recording involving the investigation of conduct that constitutes a misdemeanor punishable by fine only and does not result in arrest, without written authorization from the person who is the subject of that portion of the recording or, if the person is deceased, from the person's authorized representative.

Id. § 1701.661(f). Upon review, we find portions of the submitted video recordings were made in a private space. *See id.* § 1701.651(3) (defining "private space" for purposes of section 1701.661(f)). Furthermore, the city states the recordings at issue are body worn camera recordings involving the investigation of conduct that constitutes a misdemeanor punishable by fine only and which did not result in an arrest. The city states it does not have written authorizations for release from the subjects of the portions of the recordings made in the private space or all the subjects of the remaining portions of the recordings. *See id.* § 1701.661(f). Accordingly, we find the city must withhold the submitted body worn camera recordings under section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
