Dear Mr. Adams:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 791480.

The Tarrant County Hospital District (the "district"), which you represent, received a request for incident number 2019031143. The district claims the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions the district claims and reviewed the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why this exception is applicable to the information at issue. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). The district states the submitted information relates to a pending criminal investigation or prosecution. Based on this representation, we conclude release of the information the district marked will interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is generally applicable to the information the district marked.

However, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. See 531 S.W.2d at 186-88; Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). We note basic information includes, among other items, a detailed description of the offense, but does not include dates of birth or motor vehicle record information. See ORD 127 at 3-4. In this instance, the district has marked the entire narrative portion of the submitted incident report as information it seeks to withhold under section 552.108. The remaining information at issue does not contain information sufficient to satisfy the requirement that a "detailed description of the offense" be released as basic information. See *id.* Accordingly, we determine the district must release a sufficient portion of the narrative to encompass a detailed description of the offense. Thus, with the exception of the basic information, the district may withhold the information it marked under section 552.108(a)(1) of the Government Code. The district must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
