ATTORNEY GENERAL OF TEXAS

August 30, 2019

Mr. David T. Ritter  
Counsel for the City of McKinney  
Brown & Hofmeister, L. L. P.  
740 East Campbell Road, Suite 800  
Richardson, Texas 75081

OR2019-24422

Dear Mr. Ritter:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 783400 (City ID: G11740).

The City of McKinney (the "city"), which you represent, received a request for video recordings pertaining to a specified incident. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.148 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses information made confidential by other statutes, including section 418.182 of the Texas Homeland Security Act (the "HSA"), chapter 418 of the Government Code. Section 418.182 provides, in relevant part:

(a) [I]nformation . . . in the possession of a governmental entity that relates to the specifications, operating procedures, or location of a security system used to protect public or private property from an act of terrorism or related criminal activity is confidential.

*Id.* § 418.182(a). The fact that information may be related to a security system does not make such information *per se* confidential under section 418.182. *See* Open Records Decision No. 649 at 3 (1996) (language of confidentiality provision controls scope of its protection). Furthermore, the mere recitation by a governmental body of a statute's key

terms is not sufficient to demonstrate the applicability of a claimed provision. As with any exception to disclosure, a governmental body asserting section 418.182 must adequately explain how the responsive records fall within the scope of the statute. *See* Gov't Code § 552.301(e)(1)(A) (governmental body must explain how claimed exception to disclosure applies).

You state the submitted information consists of video footage from security surveillance cameras at a municipal recreational facility (the "facility"). You indicate the surveillance video system is part of the facility's security system. You assert the recordings contain information that identifies vulnerabilities of the security system, including which areas are under surveillance and "potential limitations or 'blind spots'[" Upon review, we find the submitted video recording relates to the specifications, operating procedures, or location of a security system used to protect public or private property from an act of terrorism or related criminal activity. *See Tex. Dep't of Pub. Safety v. Abbott*, 310 S.W.3d 670 (Tex. App.—Austin 2010, no pet.) (finding confidential under section 418.182 of the HSA video recording containing images recorded by security cameras in Texas Capitol hallway because specifications of security system included cameras' capabilities and video recording demonstrated those capabilities through characteristics, quality, and clarity of images recorded). Accordingly, the city must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 418.182(a) of the Government Code.<sup>1</sup>
