Re: Request for several categories of information pertaining to a specified car accident

Dear Mr. Pittman:

The Office of the Attorney General has received your request for a ruling and assigned your request ID# 786759.

After reviewing your arguments and the submitted information, we have determined your request does not present a novel or complex issue. Thus, we are addressing your claims in a memorandum opinion. You state you have released some information and indicate you do not have information responsive some of the categories of information requested.<sup>1</sup> You claim the submitted video recordings must be withheld from the requestor in their entirety pursuant to section 552.130 of the Government Code because you lack the technological capability to redact the motor vehicle record information not pertaining to the requestor from the recording. Thus, we agree you must withhold the submitted video recordings pursuant to section 552.130 of the Government Code.
