Dear Ms. White:

The Office of the Attorney General has received your request for a ruling and assigned your request ID# 785199.

After reviewing your arguments and the submitted information, we have determined your request does not present a novel or complex issue. Thus, we are addressing your claims in a memorandum opinion. You state you will release some of the requested information and will redact social security numbers under section 552.147(b) of the Government Code and information pursuant to Open Records Decision No. 684 (2009).¹ You claim the marked information must be withheld from the requestor pursuant to section 552.130 of the Government Code. We agree you must withhold the marked motor vehicle record information in accordance with section 552.130 of the Government Code. You claim the video recordings must be withheld from the requestor in their entirety pursuant to section 552.130 of the Government Code because you lack the technological capability to redact the motor vehicle record information not pertaining to the requestor from the recordings. Thus, we agree you must withhold the video recordings pursuant to section 552.130 of the Government Code. Lastly, you must withhold the marked dates of birth pursuant to section 552.101 of the Government Code in conjunction with common-law privacy. *Paxton v. City*

¹ Section 552.147(b) of the Government Code authorizes a governmental body to redact a living person's social security number from public release without the necessity of requesting a decision from this office. See Gov't Code § 552.147(b). Open Records Decision No. 684 is a previous determination issued by this office authorizing all governmental bodies to withhold certain categories of information without the necessity of requesting an attorney general decision.
