Dear Mr. Pittman

The Office of the Attorney General has received your request for a ruling and assigned your request ID# 786431.

After reviewing your arguments and the submitted information, we have determined your request does not present a novel or complex issue. Thus, we are addressing your claims in a memorandum opinion.¹ You claim the submitted information may be withheld from the requestor pursuant to section 552.107 of the Government Code. Upon review of your arguments and the submitted information, we conclude you may withhold the submitted information under section 552.107.

¹ We note you did not comply with the requirements of section 552.301 of the Government Code. *See* Gov't Code § 552.301(b), (e). Nevertheless, because section 552.107 of the Government Code can provide a compelling reason to overcome the presumption of openness caused by a failure to comply with section 552.301, we will consider whether the submitted information must be withheld under the Act on that ground.
