Dear Ms. Ellison:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 784494 (File No. TML062419).

The Houston Independent School District (the "district") received a request for nine categories of information pertaining to the requestor's client. You state you will release some of the requested information. ¹ The United States Department of Education Family Policy Compliance Office (the "DOE") has informed this office FERPA does not permit state and local educational authorities to disclose to this office, without parental or an adult student's consent, unredacted, personally identifiable information contained in education records for the purpose of our review in the open records ruling process under the Act. The DOE has determined FERPA determinations must be made by the educational authority in possession of the educational records. We have posted a copy of the letter from the DOE on the Attorney General's website at <https://www.texasattorneygeneral.gov/sites/default/files/files/divisions/open-government/20060725-USDOE-FERPA.pdf>.

Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.²

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. This exception encompasses information other statutes make confidential, such as section 21.062 of the Education Code. Section 21.062 provides, in relevant part:

(a) During an investigation by the commissioner for an alleged incident of misconduct, the commissioner may issue a subpoena to compel:

...

(2) the production, for inspection or copying, of relevant evidence that is located in this state.

(d) All information and materials subpoenaed or compiled in connection with an investigation described by Subsection (a) are confidential and not subject to disclosure under [the Act].

...

Educ. Code § 21.062(a)(2), (d); *see id.* §§ 5.001(3) (“Commissioner” means the commissioner of education), 21.001(1) (“Commissioner” includes a person designated by the commissioner). The district states the submitted information was subpoenaed or compiled in an investigation of an educator under section 21.062 of the Education Code. The district indicates the information was submitted to the Texas Education Agency in response to a subpoena issued by the commissioner. Based on the district’s representations and our review, we agree the district must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 21.062(d) of the Education Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

² We assume the “representative sample” of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.
