Ms. Lisa Ruiz
Paralegal

Dear Ms. Ruiz:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 785707 [ORR#s C005845-062319, C005849-062319, C005918-062519, C006016-062719, C005431-061119, C005852-062319, C005325-060619, C005892-062419, C005941-062619, C005963-062619, C005939-62619, C005936-062619, C005937-062619, C005935-062619, C005940-062619, C005934-062619, C005938-062619].

The City of Dallas (the "city") received multiple requests from the same requestor for several categories of information pertaining to specified accident numbers and named individuals employed in the city's sanitation department.¹ You state the city is releasing some information.² You claim the submitted information is excepted from disclosure under

¹ You state the city sought and received clarification of the requested information. See Gov't Code § 552.222(b) (stating if information requested is unclear to governmental body or if large amount of information has been requested, governmental body may ask requestor to clarify or narrow request, but may not inquire into purpose for which information will be used); *City of Dallas v. Abbott*, 304 S.W.3d 380 (Tex. 2010) (holding when governmental entity, acting in good faith, requests clarification of unclear or overbroad request for public information, ten-business-day period to request attorney general opinion is measured from date request is clarified or narrowed).

² We note in a letter dated July 23, 2019, the city withdrew its request for a ruling for an open records decision with regard to ORR No. C005918-6219 because the city is releasing the information to the requestor.

sections 552.101 and 552.103 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.³

The submitted information includes a CR-3 accident report. Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. Section 552.101 encompasses information subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator’s accident report), .062 (officer’s accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity shall release an accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c 1). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c).

In this instance, the requestor is not a person listed under section 550.065(c). Thus, the submitted accident report is confidential under section 550.065(b), and the city must withhold it under section 552.101 of the Government Code. However, section 550.065(c 1) requires the city to create a redacted accident report that may be requested by any person. *Id.* § 550.065(c 1). The redacted accident report may not include the information listed in subsection (0)(2). *Id.* Therefore, the requestor has a right of access to the redacted accident report. The city must release the redacted accident report to the requestor pursuant to section 550.065(c 1) of the Transportation Code.

Section 552.103 of the Government Code provides, in relevant part, as follows:

(a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or employee of the state or a political subdivision, as a consequence of the person’s office or employment, is or may be a party.

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure

³We assume that the “representative sample” of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

under Subsection (a) only if the litigation is pending or reasonably anticipated on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Gov't Code § 552.103(a), (c). A governmental body has the burden of providing relevant facts and documents to show section 552.103(a) is applicable in a particular situation. The test for meeting this burden is a showing that (1) litigation was pending or reasonably anticipated on the date the governmental body received the request for information, and (2) the information at issue is related to that litigation. *See Univ. of Tex. Law Sch. v. Tex. Legal Found.*, 958 S.W.2d 479, 481 (Tex. App.—Austin 1997, orig. proceeding); *Heard v. Houston Post Co.*, 684 S.W.2d 210, 212 (Tex. App.—Houston [1st Dist.] 1984, writ ref'd n.r.e.); Open Records Decision No. 551 at 4 (1990). A governmental body must meet both prongs of this test for information to be excepted under section 552.103(a). *See* ORD 551.

Whether litigation is reasonably anticipated must be determined on a case-by-case basis. *See* Open Records Decision No. 452 at 4 (1986). To establish litigation is reasonably anticipated, a governmental body must provide this office with “concrete evidence showing that the claim that litigation may ensue is more than mere conjecture.” *Id.* This office has stated a pending complaint with the Equal Employment Opportunity Commission (the “EEOC”) indicates litigation is reasonably anticipated. Open Records Decision Nos. 386 at 2 (1983), 336 at 1 (1982).

You state, and provide documentation showing, prior to the city’s receipt of the instant requests for information, the requestor filed a discrimination claim against the city with the EEOC. You state the submitted information is directly related to the anticipated litigation. Based on your representations and our review of the information at issue, we find the city reasonably anticipated litigation on the date these requests were received. Therefore, the city may withhold the remaining submitted information under section 552.103 of the Government Code.

Generally, however, once information has been obtained by all parties to the litigation through discovery or otherwise, no section 552.103(a) interest exists with respect to that information. Open Records Decision Nos. 349 (1982), 320 (1982). Thus, information that has either been obtained from or provided to the opposing parties in the anticipated litigation is not excepted from disclosure under section 552.103(a), and it must be disclosed. Further, the applicability of section 552.103(a) ends once the litigation has been concluded. Attorney General Opinion MW-575 (1982); Open Records Decision No. 350 (1982).

In summary, the submitted CR-3 accident report is confidential under section 550.065(b), and the city must withhold it under section 552.101 of the Government Code, but must release the redacted accident report to the requestor pursuant to section 550.065(c-1) of the Transportation Code. The city may withhold the remaining submitted information under section 552.103 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
