Re: Request for information on incident involving two named individuals on 6/26/19

Dear Ms. Klaus:

The Office of the Attorney General has received your request for a ruling and assigned your request ID# 794858.

After reviewing your arguments and the submitted information, we have determined your request does not present a novel or complex issue. Thus, we are addressing your claims in a memorandum opinion. In this instance, the requestor does not give the requisite information under section 1701.661(a) of the Occupations Code. As the requestor did not properly request the body worn camera recording(s) at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released. You claim the remaining video recording(s) must be withheld from the requestor in its entirety pursuant to section 552.130 of the Government Code because you lack the technological capability to redact the motor vehicle record information not pertaining to the requestor from the recording. Thus, we agree you must withhold the remaining video recording(s) pursuant to section 552.130 of the Government Code.<sup>1</sup>

<sup>1</sup>We note you did not comply with section 552.301 of the Government Code in requesting a ruling from this office. *See* Gov't Code § 552.301(b). Nonetheless, because section 552.101 of the Government Code can provide a compelling reason to overcome the presumption of openness, we will consider its applicability to the submitted information. *See id.* §§ 552.007, .302, .352.
