

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

Ms. Amy P. Diaz
Administrative Assistant
Frio County Sheriff's Office
502 South Cedar Street
Pearsall, Texas 78061

OR2019-26079

Dear Ms. Diaz:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 794519.

The Frio County Sheriff's Office (the "sheriff's office") received a request for information related to case number 1900011688. The sheriff's office claims the submitted information is excepted from disclosure under section 552.101 of the Government Code.¹ We have considered the exception the sheriff's office claims and reviewed the submitted information.

Initially, we note the submitted information includes a police officer's body worn camera recording. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661 provides, in relevant part, the following:

(a) A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

(1) the date and approximate time of the recording;

¹ Although the sheriff's office does not cite to section 552.101 of the Government Code in its brief, we understand the sheriff's office to raise this exception based on the substance of its argument.

- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not provide the requisite information under section 1701.661(a). As the body worn camera recording at issue was not properly requested pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information and it need not be released. However, pursuant to section 1701.661(b), a “failure to provide all the information required by [s]ubsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b).

Section 552.101 of the Government Code exempts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. Section 552.101 encompasses section 58.008 of the Family Code, which provides, in part:

(b) Except as provided by Subsection (d), law enforcement records concerning a child and information concerning a child that are stored by electronic means or otherwise and from which a record could be generated may not be disclosed to the public and shall be:

- (1) if maintained on paper or microfilm, kept separate from adult records;
- (2) if maintained electronically in the same computer system as adult records, accessible only under controls that are separate and distinct from the controls to access electronic data concerning adults; and
- (3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subsection (c) or Subchapter B, D, or E.

Fam. Code § 58.008(b); *see also id.* § 51.03(a) (defining “delinquent conduct” for purposes of title 3 of Family Code). Section 58.008(b) is applicable to records of juvenile conduct that occurred before, on, or after September 1, 2017. The juvenile must have been at least 10 years old and less than 17 years of age when the conduct occurred. *See id.* § 51.02(2) (defining “child” for purposes of title 3 of Family Code). The submitted information involves a juvenile offender, so as to fall within the scope of section 58.008(b). It does not appear any of the exceptions in section 58.008 apply. Accordingly, the sheriff’s office must generally withhold the remaining information under section 552.101 of the Government Code in conjunction with section 58.008(b) of the Family Code.

We note, however, some of the information at issue is subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. *See* Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator's accident report), .062 (officer's accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity shall release an accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c).

In this instance, the requestor is a person listed under section 550.065(c). Thus, section 550.065(c) generally requires the accident report to be released to the requestor. Therefore, we must address the conflict between the confidentiality provided under section 58.008(b) of the Family Code and the right of access provided under section 550.065(c) of the Transportation Code. Where general and specific statutes are in irreconcilable conflict, the specific provision typically prevails as an exception to the general provision unless the general provision was enacted later and there is clear evidence the legislature intended the general provision to prevail. *See* Gov't Code § 311.026(b); *City of Lake Dallas v. Lake Cities Mun. Util. Auth.*, 555 S.W.2d 163, 168 (Tex. Civ. App.—Fort Worth 1977, writ ref'd n.r.e.). In this instance, although section 58.008(b) generally pertains to all juvenile law enforcement records, section 550.065(c) specifically provides access only to accident reports of the type at issue. Therefore, we conclude the access to accident reports provided under section 550.065(c) is more specific than, and prevails over, section 58.008(b). Thus, the sheriff's office may not withhold the CR-3 accident report from the requestor under section 552.101 of the Government Code in conjunction with section 58.008(b) of the Family Code. Accordingly, the sheriff's office must release the accident report to this requestor pursuant to section 550.065(c) of the Transportation Code.

In summary, the submitted body worn camera recording was not properly requested pursuant to chapter 1701 of the Occupations Code and it need not be released. The sheriff's office must release the accident report to this requestor pursuant to section 550.065(c) of the Transportation Code. The sheriff's office must withhold the remaining information under section 552.101 of the Government Code in conjunction with section 58.008(b) of the Family Code.
