

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

September 18, 2019

Mr. Jeffrey C. Monk
Administration Manager
Houston Police Department
1200 Travis Street, 10th Floor
Houston, Texas 77002-6000

OR2019-26138

Dear Mr. Monk:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 786458 (ORU 19-06976).

The Houston Police Department (the "department") received a request for information pertaining to a specified internal affairs investigation and information pertaining to a specified incident. You state the department has released some of the requested information. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.¹

Initially, we note the submitted information includes a city police officer's body worn camera recording. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides:

¹ We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not give the requisite information under section 1701.661(a). As the requestor did not properly request the body worn camera recording at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released.² However, pursuant to section 1701.661(b), a “failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b).

Section 552.101 of the Government Code exempts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. This section encompasses information protected by other statutes. You state the City of Houston is a civil service city under chapter 143 of the Local Government Code. Section 143.1214 of the Local Government Code provides in relevant part:

(b) The department shall maintain an investigatory file that relates to a disciplinary action against a fire fighter or police officer that was overturned on appeal, or any document in the possession of the department that relates to a charge of misconduct against a fire fighter or police officer, regardless of whether the charge is sustained, only in a file created by the department for the department’s use. The department may only release information in those investigatory files or documents relating to a charge of misconduct:

- (1) to another law enforcement agency or fire department;
- (2) to the office of a district or United States attorney; or
- (3) in accordance with Subsection (c).

(c) The department head or the department head’s designee may forward a document that relates to disciplinary action against a fire fighter or police officer to the director or the director’s designee for inclusion in the fire

² As we are able to make this determination, we need not address the arguments against disclosure of this information.

fighter's or police officer's personnel file maintained under Sections 143.089(a)-(f) only if:

- (1) disciplinary action was actually taken against the fire fighter or police officer;
- (2) the document shows the disciplinary action taken; and
- (3) the document includes at least a brief summary of the facts on which the disciplinary action was based.

Local Gov't Code § 143.1214(b)-(c). You state the information in Exhibit 2 and the remaining information in Exhibit 3 is maintained in the department's internal investigative files and relates to an open investigation being conducted by the department's Internal Affairs Division of alleged misconduct by a police officer. You further state the requestor is not a representative from another law enforcement agency, a fire department, or the office of a district or United States attorney. *See id.* § 143.1214(b)(1)-(2). Thus, based on your representations and our review, we conclude the department must withhold Exhibit 2 and the remaining information in Exhibit 3 under section 552.101 of the Government Code in conjunction with section 143.1214 of the Local Government Code.³

Section 552.108(a) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if: (1) release of the information would interfere with the detection, investigation, or prosecution of crime.” Gov't Code § 552.108(a)(1). Generally, a governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the remaining information relates to an ongoing criminal investigation, and release of that information would interfere with the investigation and prosecution of the case. Based upon this representation, we conclude the release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is applicable to the remaining information.

However, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88; Open Records Decision No. 127 at 3-4 (1976) (summarizing types of information deemed public by *Houston Chronicle*). Thus, with the exception of basic information, which you state the

³As our ruling is dispositive, we need not address your remaining arguments against disclosure of this information.

department has released, you may withhold the remaining information under section 552.108(a)(1) of the Government Code.

In summary, pursuant to section 1701.661 of the Occupations Code, as the requestor did not properly request the submitted body worn camera recording pursuant to chapter 1701, our ruling does not reach this information and it need not be released. The department must withhold Exhibit 2 and the remaining information in Exhibit 3 under section 552.101 of the Government Code in conjunction with section 143.1214 of the Local Government Code. With the exception of basic information, which you state the department has released, the department may withhold the remaining information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
