ATTORNEY GENERAL OF TEXAS

Ms. Mary King  
Bastrop County Sheriff's Office  
200 Jackson Street  
Bastrop, Texas 78602

OR2019-26144

Dear Ms. King:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 786271.

The Bastrop County Sheriff's Office (the "sheriff's office") received a request for three specified incident reports. The sheriff's office claims the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the claimed exceptions and reviewed the submitted information.

Initially, the sheriff's office informs us incident report number 19-S-02055 was the subject of a previous request for information, in response to which this office issued Open Records Letter No. 2019-24003 (2019). We have no indication the law, facts, or circumstances on which the prior ruling was based have changed. Accordingly, the sheriff's office may continue to rely on Open Records Letter No. 2019-24003 as a previous determination and withhold or release incident report number 19-S-02055 in accordance with that ruling.<sup>1</sup>

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses section 261.201(a) of the Family Code, which provides as follows:

---

<sup>1</sup> See Open Records Decision No. 673 (2001) (so long as law, facts, and circumstances on which prior ruling was based have not changed, first type of previous determination exists where requested information is precisely same information as was addressed in prior attorney general ruling, ruling is addressed to same governmental body, and ruling concludes that information is or is not excepted from disclosure).

[T]he following information is confidential, is not subject to public release under [the Act], and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

- (1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and
- (2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

Fam. Code § 261.201(a). The sheriff's office asserts incident report number 15-S-02023 was used or developed in an investigation under chapter 261. *See id.* §§ 101.003(a) (defining "child" for purposes of section 261.201), 261.001(1) (defining "abuse" for purposes of section 261.201). Upon review, we find the information is within the scope of section 261.201 of the Family Code. The sheriff's office does not indicate it has adopted a rule that governs the release of this type of information. Therefore, we assume no such rule exists. Accordingly, the sheriff's office must withhold incident report number 15-S-02023 under section 552.101 of the Government Code in conjunction with section 261.201(a) of the Family Code. *See* Open Records Decision No. 440 at 2 (1986) (predecessor statute).

Section 552.108(a)(2) of the Government Code excepts from disclosure information concerning an investigation that concluded in a result other than conviction or deferred adjudication. Gov't Code § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must demonstrate the information at issue relates to a criminal investigation that has concluded in a final result other than conviction or deferred adjudication. *See id.* §§ 552.108(a)(2), .301(e)(1)(A). The sheriff's office states the remaining information pertains to a case that concluded in a result other than conviction or deferred adjudication. Therefore, we agree section 552.108(a)(2) is applicable to this information.

Section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. *Id.* § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle Publishing Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). *See* Open Records Decision No. 127 at 3-4 (1976) (summarizing types of information deemed public by *Houston Chronicle*). Thus, with the exception of basic information, the sheriff's office may withhold the remaining information under section 552.108(a)(2) of the Government Code.

In summary, the sheriff's office may continue to rely on Open Records Letter No. 2019-24003 as a previous determination and withhold or release incident report number 19-S-02055 in accordance with that ruling. The sheriff's office must withhold incident report

number 15-S-02023 under section 552.101 of the Government Code in conjunction with section 261.201(a) of the Family Code. With the exception of basic information, which the sheriff's office must release, the sheriff's office may withhold the remaining information under section 552.108(a)(2) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
