OR2019-26219

Dear Mr. Haglund:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 785416.

The Lufkin Independent School District (the "district"), which you represent, received a request for information pertaining to a named individual.¹ You state the district does not maintain or possess some of the requested information.² You state the district released some information to the requestor. You further state the district will redact information pursuant to the Family Educational Rights and Privacy Act ("FERPA"), section 1232g of title 20 of the United States Code.³ You claim portions of the submitted information are

¹You state, and provide documentation demonstrating, the district sought and received clarification of the information requested. See Gov't Code § 552.222 (providing if request for information is unclear, governmental body may ask requestor to clarify request); see also *City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding when governmental entity, acting in good faith, requests clarification of unclear or overbroad request for public information, ten-business-day period to request attorney general opinion is measured from date request is clarified or narrowed).

²The Act does not require a governmental body to create or release information that did not exist when a request for information was received. See *Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266, 267-68 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 563 at 8 (1990), 555 at 1-2 (1990), 452 at 3 (1986), 362 at 2 (1983).

³The United States Department of Education Family Policy Compliance Office (the "DOE") has informed this office that FERPA does not permit state and local educational authorities to disclose to this office, without parental consent, unredacted, personally identifiable information contained in education records for the

excepted from disclosure under sections 552.101, 552.102, 552.115, and 552.117 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from public disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. Section 552.101 encompasses information protected by section 261.201 of the Family Code, which provides, in relevant part:

(a) [T]he following information is confidential, is not subject to public release under [the Act], and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

(1) a report of alleged or suspected abuse or neglect made under [chapter 261 of the Family Code] and the identity of the person making the report; and

(2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under [chapter 261 of the Family Code] or in providing services as a result of an investigation.

Fam. Code § 261.201(a). Upon review, we find the submitted information was used or developed in an investigation of alleged or suspected child abuse or neglect under chapter 261 of the Family Code. *See id.* § 261.001(1), (4) (defining “abuse” and “neglect” for purposes of chapter 261 of the Family Code); *see also id.* § 101.003(a) (defining “child” for purposes of section 261.201 as a person under 18 years of age who is not and has not been married or who has not had the disabilities of minority removed for general purposes). We note the district is not an agency authorized to conduct an investigation under chapter 261 of the Family Code. *See id.* § 261.103 (listing agencies that may conduct child abuse investigations). However, the submitted information was used or developed by the district’s police department (the “department”), which is an agency authorized to conduct investigations under chapter 261 of the Family Code. Thus, we find the submitted information is within the scope of section 261.201(a) of the Family Code. As you do not indicate the department has adopted a rule that governs the release of this type of information, we assume no such regulation exists. Given that assumption, we conclude the district must withhold the submitted information in its entirety under section 552.101 of the

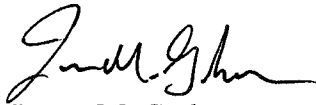

purpose of our review in the open records ruling process under the Act. The DOE has determined that FERPA determinations must be made by the educational authority in possession of the education records. We have posted a copy of the letter from the DOE to this office on the Attorney General’s website: <https://www.texasattorneygeneral.gov/sites/default/files/files/divisions/open-government/20060725-USDOE-FERPA.pdf>.
