Mr. Mark G. Mann
Assistant City Attorney
City of Garland
P.O. Box 469002
Garland, Texas 75046-9002

OR2019-26696

Dear Mr. Mann:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 796178 (ORR# GCA19-0772).

The Garland Police Department (the "department") received a request for incident number 2019R021706. The department states it will redact a date of birth of a member of the public pursuant to the previous determination issued in Open Records Letter No. 2017-22182 (2017).¹ The department claims some of the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception the department claims and reviewed the submitted information.

The submitted information involves an alleged violation of section 32.51 of the Penal Code, which provides, "[a] person commits an offense if the person, with the intent to harm or defraud another, obtains, possesses, transfers, or uses an item of . . . identifying information of another person without the other person's consent[.]" Penal Code § 32.51(b)(1). For purposes of section 32.51, "identifying information" includes an individual's name and financial institution account number. *Id.* § 32.51(a)(1)(A), (C). Article 2.29 of the Code of Criminal Procedure pertains to alleged violations of section 32.51 that occurred on or after September 1, 2005, and provides:

¹ Open Records Letter No. 2017-22182 authorizes the department to withhold public citizens' dates of birth under section 552.101 of the Government Code in conjunction with common-law privacy without requesting an attorney general decision. *See* Open Records Decision No. 673 at 7-8 (2001) (listing elements of second type of previous determination under section 552.301(a) of the Government Code).

(a) A peace officer to whom an alleged violation of Section 32.51, Penal Code, is reported shall make a written report to the law enforcement agency that employs the peace officer that includes the following information:

- (1) the name of the victim;
- (2) the name of the suspect, if known;
- (3) the type of identifying information obtained, possessed, transferred, or used in violation of Section 32.51, Penal Code; and
- (4) the results of any investigation.

(b) On the victim's request, the law enforcement agency shall provide the report created under Subsection (a) to the victim. In providing the report, the law enforcement agency shall redact any otherwise confidential information that is included in the report, other than the information described by Subsection (a).

Crim. Proc. Code art. 2.29. For purposes of article 2.29, an offense is committed on or after September 1, 2005, if no "element of the offense occurs before that date." Act of Jun. 17, 2005, 79th Leg., R.S., ch. 294, § 1(b), 2005 Tex. Gen. Laws 885.

In this instance, the submitted information pertains to a report of fraudulent use of identifying information, which constitutes an alleged violation of section 32.51, and the conduct at issue occurred after September 1, 2005. We note the requestor is the victim of the alleged identity theft listed in the report. Therefore, the submitted report is subject to article 2.29 of the Code of Criminal Procedure. *See* Crim. Proc. Code art. 2.29. Although the department seeks to withhold portions of the report under section 552.108 of the Government Code, this exception does not make information confidential. *See* Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 586 (1991) (governmental body may waive section 552.108). Therefore, no portion of the submitted report may be withheld under section 552.108 of the Government Code, and the department must release the information to this requestor.²

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and

² Because the requestor has a right of access to some or all of the submitted information, if the department receives another request for this information from a different requestor, the department must again seek a ruling from this office.
