September 25, 2019

Mr. David T. Ritter
Counsel for the City of McKinney
Brown & Hofmeister, L.L.P.
740 East Campbell Road, Suite 800
Richardson, Texas 75081

OR2019-26784

Dear Mr. Ritter:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 787645 (Reference No. G12002).

The City of McKinney (the "city"), which you represent, received a request for all monies paid to a specified law firm during a certain time period or involving specified matters. You claim the submitted information is excepted from disclosure under section 552.103 of the Government Code. We also received comments submitted by the requestor. *See* Gov't Code § 552.304 (providing that interested party may submit written comments regarding why information should or should not be released). We have considered the submitted arguments and reviewed the submitted representative sample of information.¹

Initially, you assert portions of the submitted information are not responsive to the present request. However, we note the information at issue is part of a bill relating to the amount

¹ We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

paid by the city to the named law firm. Therefore, we find the information at issue is responsive to the instant request, and we will address your argument against its disclosure.

We note the submitted information is subject to section 552.022 of the Government Code. Section 552.022(a) provides, in relevant part:

(a) [T]he following categories of information are public information and not excepted from required disclosure unless made confidential under this chapter or other law:

...

(3) information in an account, voucher, or contract relating to the receipt or expenditure of public or other funds by a governmental body [and]

...

(16) information that is in a bill for attorney's fees and that is not privileged under the attorney-client privilege[.]

Id. § 552.022(a)(3), (16). Part of the submitted information consists of information in an account, voucher, or contract relating to the receipt or expenditure of funds by a governmental body that is subject to section 552.022(a)(3). The remaining information consists of attorney fee bills subject to section 552.022(a)(16). Thus, the submitted information must be released unless it is made confidential under the Act or other law. *See id.* You seek to withhold the submitted information under section 552.103 of the Government Code. However, section 552.103 is a discretionary exception and does not make information confidential under the Act. *See Dallas Area Rapid Transit v. Dallas Morning News*, 4 S.W.3d 469, 475-76 (Tex. App—Dallas 1999, no pet.) (governmental body may waive Gov't Code § 552.103); Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions). Therefore, the city may not withhold the submitted information under section 552.103 of the Government Code. The city must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and
