October 2, 2019

Mr. Lloyd Saunders
Assistant County Attorney
Montgomery County
501 North Thompson, Suite 300

Dear Mr. Saunders:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 797414 (ORR# 19PIA384).

The Montgomery County Sheriff's Office (the "sheriff's office") received a request for employment records related to a named deputy of the sheriff's office. The sheriff's office claims the submitted information is excepted from disclosure under sections 552.101, 552.102, 552.108, 552.115, 552.117, and 552.130 of the Government Code. We have considered the exceptions the sheriff's office claims and reviewed the submitted information.

Initially, we note the submitted information contains a peace officer's Texas Commission on Law Enforcement ("commission") identification number.¹ Section 552.002(a) defines "public information" as information that is written, produced, collected, assembled, or maintained under a law or ordinance or in connection with the transaction of official business by a governmental body; for a governmental body and the governmental body owns, has a right of access to, or spends or contributes public money for the purpose of writing, producing, collecting, assembling, or maintaining the information; or by an individual officer or employee of a governmental body in the officer's or employee's official capacity and the information pertains to official business of the governmental body. Gov't Code. § 552.002(a). In Open Records Decision No. 581 (1990), this office

¹ The Texas Commission on Law Enforcement Officer Standards and Education was renamed the Texas Commission on Law Enforcement by the 83rd Legislature. See Act of May 6, 2013, 83rd Leg., R.S., ch. 93, § 1.01, 2013 Tex. Gen. Laws 174, 174.

determined certain computer information, such as source codes, documentation information, and other computer programming, that has no significance other than its use as a tool for the maintenance, manipulation, or protection of public property is not the kind of information made public under section 552.021 of the Government Code. ORD 581 at 5. We understand an officer's commission identification number is a unique computer-generated number assigned to peace officers for identification in the commissioner's electronic database, and may be used as an access device number on the commission's website. Accordingly, we find the officer's commission identification number in the submitted information does not constitute public information under section 552.002 of the Government Code. Therefore, the commission identification number is not subject to the Act and the sheriff's office is not required to release it to the requestor.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why this exception is applicable to the information at issue. *See id.* §§ 552.108(a)(1), 301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). The sheriff's office states the named deputy is currently assigned to a criminal case that is under active investigation by the sheriff's office. Thus, the sheriff's office argues release of the requested information would interfere with the pending criminal investigation or prosecution. Based on this representation, we conclude release of the information will interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Accordingly, we find the sheriff's office may withhold the responsive information under section 552.108(a)(1) of the Government Code.²

In summary, the commission identification number is not subject to the Act and the sheriff's office is not required to release it to the requestor. The sheriff's office may withhold the responsive information under section 552.108(a)(1) of the Government Code.
