ATTORNEY GENERAL OF TEXAS

October 2, 2019

Mr. Matthew L. Butler  
Counsel for the City of Hurst  
Boyle & Lowry, LLP  
4201 Wingren Drive, Suite 108  
Irving, Texas 75062-2763

OR2019-27614

Dear Mr. Butler:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 788919.

The Hurst Police Department (the "department"), which you represent, received a request for information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code.<sup>1</sup> We have considered the exception you claim and reviewed the submitted information.

Initially, we note the department has only submitted body worn camera and dashboard camera video recordings. To the extent information responsive to the remainder of the request existed on the date the department received the request, we assume you have released it. *See* Open Records Decision No. 664 (2000) (if governmental body concludes no exceptions apply to requested information, it must release information as soon as possible). If you have not released any such information, you must do so at this time. *See* Gov't Code §§ 552.301(a), .302.

Next, we note the submitted information includes police officers' body worn camera recordings. Body worn cameras are subject to chapter 1701 of the Occupations

---

<sup>1</sup> We note, and you acknowledge, the department did not comply with section 552.301 of the Government Code in requesting this decision. *See* Gov't Code § 552.301(b). Nonetheless, because sections 552.101 and 552.130 of the Government Code can provide compelling reasons to overcome the presumption of openness, we will consider their applicability to the submitted information. *See id.* §§ 552.007, .302, .352.

Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not give the requisite information under section 1701.661(a). As the requestor did not properly request the body worn camera recordings at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released.<sup>2</sup> However, pursuant to section 1701.661(b), a “failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b).

Section 552.130 of the Government Code provides information relating to a motor vehicle operator’s or driver’s license or permit, a motor vehicle title or registration, or a personal identification document issued by an agency of Texas or another state or country is excepted from public release.<sup>3</sup> Gov’t Code § 552.130(a). Upon review, we find the remaining video recordings contain information subject to section 552.130 that does not belong to the requestor’s client. You state the department does not have the technological capability to redact information from the recordings. Accordingly, the department must withhold the remaining video recordings in their entireties under section 552.130.<sup>4</sup> *See* Open Records Decision No. 364 (1983).

In summary, as the requestor did not properly request the body worn camera recordings at issue pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information and it need not be released. The department must withhold the remaining video recordings in their entireties under section 552.130 of the Government Code.

---

<sup>2</sup> As we are able to make this determination, we need not address your arguments against disclosure of this information.

<sup>3</sup> The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

<sup>4</sup> As our ruling is dispositive, we need not address your argument against disclosure of this information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
