Dear Mr. Narvaez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 789804 (ID No. P011891-062419).

The McKinney Police Department (the "department"), which you represent, received a request for fourteen categories of information pertaining to a specified motor vehicle accident.¹ You state the department released some information. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

The submitted information consists of peace officers' body worn camera recordings. Section 552.101 of the Government Code excepts from public disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information made confidential by other statutes. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when

¹ You state the department sent the requestor a cost estimate of charges pursuant to section 552.2615 of the Government Code, and the requestor accepted the cost estimate. *See* Gov't Code § 552.2615. The estimate of charges required the requestor to provide a deposit for payment of anticipated costs under section 552.263 of the Government Code. *See id.* § 552.263(a). You also inform us the department received the required deposit on July 15, 2019. *See id.* § 552.263(e) (if governmental body requires deposit or bond for anticipated costs pursuant to section 552.263, request for information is considered to have been received on date governmental body receives bond or deposit).

seeking a body worn camera recording. Section 1701.661(a) of the Occupations Code provides the following:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor provided the information required by section 1701.661(a) for release of the body worn camera recordings at issue. The submitted body worn camera recordings reflect they were required to be made by law or the policies of the department and relate to a law enforcement purpose. *See id.* § 1701.661(h). We understand the recordings are or could be used as evidence in a criminal prosecution. *See id.* § 1701.661(d) (stating information “that is or could be used as evidence in a criminal prosecution is subject to the requirements of [the Act.]”). Additionally, we have no indication the recordings document incidents involving the use of deadly force by an officer or relate to an administrative or criminal investigation of an officer. *See id.* § 1701.660(a). We note, however, section 1701.661(f) provides, in part:

A law enforcement agency may not release any portion ... of a recording involving the investigation of conduct that constitutes a misdemeanor punishable by fine only and does not result in arrest, without written authorization from the person who is the subject of that portion of the recording or, if the person is deceased, from the person's authorized representative.

Id. § 1701.661(f). You state the video recordings at issue consist of body worn camera recordings involving an investigation of conduct that constitutes a misdemeanor punishable by fine only and which did not result in an arrest. You further state the department does not have permission for release from all of the subjects of the recordings at issue. *See id.* Accordingly, the department must withhold the submitted body worn camera recordings under section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
