Ms. Cynthia Trevino  
Counsel for City of Taft

OR2019-28018

Dear Ms. Trevino:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 790877 (ORR#s PIA-19-206 & PIA-19-213).

The City of Taft (the "city"), which you represent, received two requests from the same requestor for body worn camera videos pertaining to a specified incident. You claim the submitted information was not properly requested pursuant to section 1701.661 of the Occupations Code. You also claim the submitted information is excepted from disclosure under sections 552.108 and 552.130 of the Government Code.<sup>1</sup> We have considered the submitted arguments and reviewed the submitted information. We have also received and considered comments from the requestor. *See* Gov't Code § 552.304 (interested party may submit comments stating why information should or should not be released).

Initially, we note the submitted information consists of body worn camera video. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides:

---

<sup>1</sup> Although the city also raises section 552.101 of the Government Code, the city has not provided any arguments to support this exception. Therefore, we assume the city has withdrawn its claim this section applies to the submitted information. *See* Gov't Code §§ 552.301, .302.

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). Upon review, we find the requestor provided the requisite information under section 1701.661 (a) for the body worn camera video at issue. As the body worn camera video was properly requested pursuant to chapter 1701 of the Occupations Code, we will address your remaining arguments against its disclosure.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). The [GB] states the submitted information pertains to an active criminal investigation or prosecution. Based on this representation, we conclude the release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, the city may withhold the submitted information under section 552.108(a)(1) of the Government Code.<sup>2</sup>
