Mr. Matthew L. Butler
Counsel for the City of Hurst

OR2019-28044

Dear Mr. Butler:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 789739.

The Hurst Police Department (the "department"), which you represent, received a request for information related to a specified car crash. The department claims the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions the department claims and reviewed the submitted information.

Initially, we note the submitted information is not responsive to the instant request for information because it does not pertain to the specified incident. This ruling does not address the public availability of information that is not responsive to the request and the department is not required to release such information in response to this request.

Next, we must address the department's obligations under the Act. Section 552.301 of the Government Code prescribes the procedures that a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. *See* Gov't Code § 552.301. Pursuant to section 552.301(e), a governmental body is required to submit to this office within fifteen business days of receiving an open records request (1) written comments stating the reasons why the claimed exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. *Id.* § 552.301(e). The department received the request for

information on July 19, 2019. As of this date, the department has not submitted to this office a copy or representative sample of the information requested. Accordingly, we conclude the department failed to comply with the requirements of section 552.301.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ). Although the department raises exceptions to disclosure, because the department has not submitted the requested information for our review, we have no basis for finding any of the information excepted from disclosure. Thus, we have no choice but to order the requested information released pursuant to section 552.302. If the department believes the information may not lawfully be released, the department must challenge this ruling in court pursuant to section 552.324 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
