

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

October 7, 2019

Mr. Paul E. Fulbright
Assistant District Attorney
Navarro County
300 West Third Avenue, Suite 301
Corsicana, Texas 75110

OR2019-28078

Dear Mr. Fulbright:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 789920.

The Navarro County Sheriff's Office (the "sheriff's office") received a request for information pertaining to the specified arrest of a named individual. You claim the requested information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim.

We must address the sheriff's office's obligations under the Act. Section 552.301 of the Government Code describes the obligations placed on a governmental body that receives a written request for information it wishes to withhold. Pursuant to section 552.301(e) of the Government Code, the governmental body is required to submit to this office within fifteen business days of receiving the request (1) general written comments stating the reasons why the stated exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. *See* Gov't Code § 552.301(e). You state you received the request for information on July 16, 2019. However, as of the date of this letter, you have not submitted to this office a copy of the specific information requested or a representative sample of such information. Consequently, we find the sheriff's office failed to comply with the requirements of section 552.301.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ). Although the sheriff's office raises an exception to disclosure, because you have not submitted the requested information for our review, we have no basis for finding any of the information excepted from disclosure. Thus, we have no choice but to order the requested information released pursuant to section 552.302 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
