

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

October 8, 2019

Ms. Deborah Lynne Klein
Deputy City Attorney
City of San Antonio
100 West Houston Street, Eighteenth Floor
San Antonio, Texas 78205

OR2019-28157

Dear Ms. Klein:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 789968 (COSA File No. W274088-071619).

The City of San Antonio (the "city") received a request for information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under section 552.103 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Initially, we note the submitted information is subject to section 552.022 of the Government Code. Section 552.022(a) provides, in relevant part:

(a) [T]he following categories of information are public information and not excepted from required disclosure unless made confidential under this chapter or other law:

(1) a completed report, audit, evaluation, or investigation made of, for, or by a governmental body, except as provided by Section 552.108[.]

¹ We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

Gov't Code § 552.022(a)(1). The submitted information consists of a completed investigation that is subject to section 552.022(a)(1). The city must release the completed investigation pursuant to section 552.022(a)(1) unless it is excepted from disclosure under section 552.108 of the Government Code or is made confidential under the Act or other law. *See id.* The city seeks to withhold the information subject to section 552.022(a)(1) under section 552.103 of the Government Code. However, section 552.103 is discretionary in nature and does not make information confidential under the Act. *See Dallas Area Rapid Transit v. Dallas Morning News*, 4 S.W.3d 469, 475-76 (Tex. App.—Dallas 1999, no pet.) (governmental body may waive Gov't Code § 552.103); *see also* Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions). Therefore, the city may not withhold the submitted information under section 552.103 of the Government Code. However, because sections 552.117 and 552.130 of the Government Code make information confidential under the Act, we will consider the applicability of these sections for the information at issue.²

Next, we note the submitted information includes a CR-3 accident report, which is subject to chapter 550 of the Transportation Code. Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov't Code § 552.101. Section 552.101 encompasses information subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. *See* Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator's accident report), .062 (officer's accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity shall release an accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c). In this instance, the requestor is a person listed under section 550.065(c). Thus, the city must release the accident report to this requestor pursuant to section 550.065(c) of the Transportation Code.

Section 552.117(a)(1) of the Government Code excepts from disclosure the home address and telephone number, emergency contact information, social security number, and family member information of a current or former employee or official of a governmental body who requests this information be kept confidential under section 552.024 of the Government Code. *See* Gov't Code § 552.117(a)(1). We note section 552.117 is also applicable to personal cellular telephone numbers, provided the cellular telephone service is not paid for by a governmental body. *See* Open Records Decision No. 506 at 5-6 (1988)

² The Office of the Attorney General will raise mandatory exceptions on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

(section 552.117 not applicable to cellular telephone numbers paid for by governmental body and intended for official use). Whether a particular item of information is protected by section 552.117(a)(1) must be determined at the time of the governmental body's receipt of the request for the information. *See* Open Records Decision No. 530 at 5 (1989). Thus, information may be withheld under section 552.117(a)(1) only on behalf of a current or former employee or official who made a request for confidentiality under section 552.024 prior to the date of the governmental body's receipt of the request for the information. Information may not be withheld under section 552.117(a)(1) on behalf of a current or former employee or official who did not timely request under section 552.024 the information be kept confidential. Therefore, to the extent the individuals whose information is at issue timely requested confidentiality under section 552.024 of the Government Code, the city must withhold the information we marked under section 552.117(a)(1) of the Government Code; however, the marked cellular telephone numbers may be withheld only if a governmental body does not pay for the cellular telephone service. Conversely, to the extent the individuals at issue did not timely request confidentiality under section 552.024, the city may not withhold the marked information under section 552.117(a)(1).

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. Accordingly, the city must withhold the motor vehicle record information we marked under section 552.130 of the Government Code.

In summary, the city must release the accident report to this requestor pursuant to section 550.065(c) of the Transportation Code. To the extent the individuals whose information is at issue timely requested confidentiality under section 552.024 of the Government Code, the city must withhold the information we marked under section 552.117(a)(1) of the Government Code; however, the marked cellular telephone numbers may be withheld only if a governmental body does not pay for the cellular telephone service. The city must withhold the motor vehicle record information we marked under section 552.130 of the Government Code. The city must release the remaining information.³

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

³ We note the requestor has a right of access to some of the information being released. *See* Gov't Code § 552.023(a) (governmental body may not deny access to person to whom information relates or person's agent on ground that information is considered confidential by privacy principles); ORD 481 at 4 (privacy theories not implicated when individuals request information concerning themselves). Thus, if the city receives another request for the same information from a different requestor, the city must again seek a decision from this office.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839.
