

KEN PAXTON  
ATTORNEY GENERAL OF TEXAS

October 9, 2019

Ms. Stephanie Berry  
Assistant City Attorney  
City of Denton  
215 East McKinney  
Denton, Texas 76201

OR2019-28300

Dear Ms. Berry:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 791081 (ORR# C000871).

The City of Denton (the "city") received a request for information pertaining to the adoption of two specified animals. The city claims some of the submitted information is excepted from disclosure under sections 552.101 and 552.1177 of the Government Code. We have considered the claimed exceptions and reviewed the submitted information.

Section 552.1177(a) of the Government Code relates to the humane disposition by a municipality or county of an animal and provides the following:

Except as provided by Subsection (b), information is confidential and excepted from [required public disclosure] if the information relates to the name, address, telephone number, e-mail address, driver's license number, social security number, or other personally identifying information of a person who obtains ownership or control of an animal from a municipality or county making a humane disposition of the animal under a municipal ordinance or an order of the commissioners court.

Act of May 25, 2019, 86th Leg., R.S., H.B. 2828, § 1 (to be codified as Gov't Code § 552.1177(a)). The city asserts the information at issue identifies a person who adopted animals from the city's municipal animal shelter. We understand the city to represent its

municipal animal shelter made a humane disposition of the animals under a municipal ordinance. Based on these representations and our review, we conclude the city must withhold the information it has marked under section 552.1177 of the Government Code.<sup>1</sup> The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
