ATTORNEY GENERAL OF TEXAS

October 15, 2019

Mr. Brandon Dyson
Assistant City Attorney
City of San Angelo
72 West College Avenue
San Angelo, Texas 76903

OR2019-28928

Dear Mr. Dyson:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 791495 (Ref. Nos. R002340 & R002341).

The City of San Angelo (the "city") received two requests from different requestors for certain information pertaining to a specified address. You state you have released some of the requested information. Although the city takes no position as to whether the submitted information is excepted under the Act, the city states release of the submitted information may implicate the proprietary interests of Danze & Davis Architects, Inc.; Sarah Johnson Style and Design; and SKG Engineering.¹ Accordingly, the city states, and provides documentation showing, it notified the third parties of the requests for information and of the right to submit arguments to this office as to why the submitted information should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have reviewed the submitted information.

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) to submit its reasons, if any, as to

¹ We note we asked the city to provide additional information pursuant to section 552.303 of the Government Code. *See* Gov't Code § 552.303(c)-(d) (if attorney general determines that information in addition to that required by section 552.301 is necessary to render decision, written notice of that fact shall be given to governmental body and requestor, and governmental body shall submit necessary additional information to attorney general not later than seventh calendar day after date of receipt of notice). In response, the city informed us it would not submit additional comments.

why information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received comments from any of the third parties explaining why the submitted information should not be released. Therefore, we have no basis to conclude any of the third parties have a protected proprietary interest in the submitted information. *See id.* § 552.110; Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3. Accordingly, the city may not withhold the submitted information on the basis of any proprietary interest any of the third parties may have in the information. As no exceptions to disclosure have been raised, the city must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
