

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

October 16, 2019

Ms. Denise Frederick
City Attorney
City of Leon Valley
6400 El Verde Road
Leon Valley, Texas 78238-2399

OR2019-28993

Dear Ms. Frederick:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 788936 (ORR# 070219-A).

The City of Leon Valley (the "city") received a request for specified information pertaining to an incident involving the requestor's client. You state you are releasing some of the requested information. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we must address the city's obligations under the Act. Section 552.301 of the Government Code describes the procedural obligations placed on a governmental body that receives a written request for information it wishes to withhold. Pursuant to section 552.301(b), the governmental body must request a ruling from this office and state the exceptions to disclosure that apply within ten business days after receiving the request. *See* Gov't Code § 552.301(b). In this instance, you state the city received the request for information on July 2, 2019. We note the city was closed on July 4, 2019. This office does not count the date the request was received or holidays for the purpose of calculating a governmental body's deadlines under the Act. Accordingly, the city's ten-business-day deadline was July 17, 2019. You state the envelope in which the city originally submitted the information required by section 552.301(b) was returned to the city for insufficient postage and the city again mailed the required information to this office in an envelope bearing a postmark of July 23, 2019. Section 552.308 of the Government Code provides,

when a submission within a specified time period is required under the Act, the time requirement is met if the submission is sent by first class mail “with postage . . . prepaid” and the postmark date is within the required time period. *See id.* § 552.308. Because the city did not submit the information required by section 552.301(b) within the required time period, we find the city failed to comply with the requirements of section 552.301 of the Government Code.

Pursuant to section 552.302 of the Government Code, a governmental body’s failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ). The need of a governmental body, other than the governmental body that failed to timely seek an open records decision, to withhold information under section 552.108 of the Government Code can provide a compelling reason sufficient to overcome the presumption of openness. *See* Open Records Decision No. 586 (1991). Because you inform us, and provide documentation showing, the Bexar County District Attorney’s Office (the “district attorney’s office”) objects to the release of the information at issue, we will consider whether the city may withhold the submitted information under section 552.108 of the Government Code on behalf of the district attorney’s office.

Section 552.108(a) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if: (1) release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why release of the requested information would interfere with the detection, investigation, or prosecution of crime. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). Section 552.108 may be invoked by any proper custodian of information relating to a pending investigation or prosecution of criminal conduct. *See* Open Records Decision No. 474 at 4-5 (1987). Where a governmental body has custody of information relating to a pending case of a law enforcement agency, the custodian of the records may withhold the information if it provides this office with a demonstration that the information relates to the pending case and a representation from the law enforcement agency that it wishes to have the information withheld.

You state the district attorney’s office has advised the submitted information relates to a pending prosecution, and release of that information would interfere with the prosecution of the case. Based upon this representation, we conclude the release of the submitted information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) of the Government Code is applicable to the submitted information.

However, we note section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. See 531 S.W.2d at 186-88; Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Thus, with the exception of the basic information, which must be released, the city may withhold the submitted information under section 552.108(a)(1) of the Government Code on behalf of the district attorney's office.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
