Mr. Alexander Garcia  
Assistant City Attorney  
City of Corpus Christi  
P.O. Box 9277  
Corpus Christi, Texas 78469-9277

OR2019-29003

Dear Mr. Garcia:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 791525 (ORR# JA11ACS).

The City of Corpus Christi Animal Care Services (the "city") received a request for information pertaining to a specified animal. The city claims the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the claimed exception and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses section 826.0311 of the Health and Safety Code, which states, in part, the following:

- (a) Information that is contained in a municipal or county registry of dogs and cats under Section 826.031 that identifies or tends to identify the owner or an address, telephone number, or other personally identifying information of the owner of the registered dog or cat is confidential and not subject to disclosure under [the Act]. The information contained in the registry may not include the social security number or the driver's license number of the owner of the registered animal.

(b) The information may be disclosed only to a governmental entity or a person that, under a contract with a governmental entity, provides animal control services or animal registration services for the governmental entity for purposes related to the protection of public health and safety. A governmental entity or person that receives the information must maintain the confidentiality of the information, may not disclose the information under [the Act], and may not use the information for a purpose that does not directly relate to the protection of public health and safety.

Health & Safety Code § 826.0311(a), (b). Section 826.0311 applies only to the actual pet registry; it does not apply to the contents of other records, even though those documents may contain the same information as the pet registry. *See* Open Records Decision No. 658 at 4 (1998) (statutory confidentiality provision must be express, and confidentiality requirement will not be implied from statutory structure). Upon review, we find the city has failed to establish the information at issue is contained in a municipal or county registry of dogs and cats and identifies or tends to identify the owner of a registered dog or cat. Therefore, the city may not withhold any of the submitted information under section 552.101 of the Government Code in conjunction with section 826.0311(a) of the Health and Safety Code.

Section 552.1177 of the Government Code is applicable to some of the submitted information.<sup>1</sup> Section 552.1177(a) relates to the humane disposition by a municipality or county of an animal and provides the following:

Except as provided by Subsection (b), information is confidential and excepted from [required public disclosure] if the information relates to the name, address, telephone number, e-mail address, driver's license number, social security number, or other personally identifying information of a person who obtains ownership or control of an animal from a municipality or county making a humane disposition of the animal under a municipal ordinance or an order of the commissioners court.

Act of May 25, 2019, 86th Leg., R.S., H.B. 2828, § 1 (to be codified as Gov't Code § 552.1177(a)). Upon review, we determine some of the submitted information, which we have marked, identifies a person who adopted an animal from the city's municipal animal shelter. We understand the municipal animal shelter at issue made a humane disposition of the animal under a municipal ordinance. Accordingly, we conclude the city must withhold the information we have marked under section 552.1177 of the Government Code. The city must release the remaining information.

<sup>1</sup> The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body. *See* Open Records Decision Nos. 481 at 2 (1987), 480 at 5 (1987).
