Ms. LaNetra S. Lary  
Assistant County Attorney  
Fort Bend County  
401 Jackson Street, 3rd Floor

OR2019-29245

Dear Ms. Lary:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 791857.

The Fort Bend County Attorney's Office and the Fort Bend County Juvenile Probation Department (collectively, the "county") received a request for all documents and records pertaining to a specified bond project relating to the expansion of the county's juvenile detention center. You claim the requested information is excepted from disclosure under sections 552.101 through 552.158 of the Government Code. We have considered the exceptions you claim.

We must address the county's procedural obligations under section 552.301 of the Government Code when requesting a decision from this office. *See* Gov't Code § 552.301. Pursuant to section 552.301(e), a governmental body must submit to this office within fifteen business days of receiving an open records request (1) written comments stating the reasons why the claimed exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. *See id.* § 552.301(e). You state, and provide documentation showing, the county received the clarified request on July 26, 2019. However, as of the date of this letter, the county has not submitted to this office written comments stating the reasons why the claimed exceptions apply, or a copy or

representative samples of the specific information requested. Consequently, we find the county failed to comply with the requirements of section 552.301(e) of the Government Code in requesting a decision from our office.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with section 552.301 results in the legal presumption the requested information is public and must be released unless a compelling reason exists to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381-82 (Tex. App.—Austin 1990, no writ). Although the county raises exceptions to disclosure, because it has not submitted the requested information for our review, we have no basis for finding any of the information excepted from disclosure. Thus, we have no choice but to order the requested information released pursuant to section 552.302 of the Government Code. If the county believes the information is confidential and may not lawfully be released, the county must challenge this ruling in court pursuant to section 552.324 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
