Dear Ms. Sanchez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 791869 (Ref. No. R018489-070719).

The Dallas Independent School District (the "district") received a request for certain Classroom Effectiveness Index information during a specified time period. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Section 552.101 of the Government Code excepts "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses other statutes, such as section 21.355 of the Education Code, which provides that "[a] document evaluating the performance of a teacher or administrator is confidential." Educ. Code § 21.355(a). This office has interpreted section 21.355 to apply to any document that evaluates, as that term is commonly understood, the performance of a teacher or an administrator. *See* Open Records Decision No. 643 (1996). Additionally, a court has concluded that a written reprimand constitutes

¹ We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

an evaluation for purposes of section 21.355, as it “reflects the principal’s judgment regarding [a teacher’s] actions, gives corrective direction, and provides for further review.” *Abbott v. North East Indep. Sch. Dist.*, 212 S.W.3d 364 (Tex. App.—Austin 2006, no pet.). In Open Records Decision No. 643, we concluded that a “teacher” for purposes of section 21.355 means a person who (1) is required to and does in fact hold a certificate or permit required under chapter 21 of the Education Code and (2) is teaching at the time of his or her evaluation. *See* ORD 643.

You assert the submitted information consists of written evaluations that are confidential under section 21.355. You inform us the teachers at issue held the appropriate certifications at the time of the evaluations. Based on your representations and our review, we agree the submitted information constitutes evaluations as contemplated by section 21.355. Accordingly, the district must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 21.355 of the Education Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
