

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

October 18, 2019

Mr. James Kopp
Assistant City Attorney
City of San Antonio
P.O. Box 839966
San Antonio, Texas 78207

OR2019-29359

Dear Mr. Kopp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 791999 (ORR# W277298).

The City of San Antonio (the "city") received a request for a specified police call sheet. The city claims the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the claimed exception and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses section 730.004 of the Transportation Code, which provides "an agency may not disclose personal information about any person obtained by the agency in connection with a motor vehicle record." Transp. Code § 730.004. "Personal information" means "information that identifies a person," and includes a person's photograph, social security number, driver identification number, name, and address, but does not include a zip code, telephone number, or medical and disability information. *Id.* § 730.003(6). The Department of Public Safety ("DPS") is an "agency" for purposes of chapter 730. *See id.* § 730.003(1) ("agency" is state agency that compiles or maintains motor vehicle records). An authorized recipient of personal information may not re-disclose the personal information and to do so is a misdemeanor offense. *Id.* § 730.013(a), (d). The city must withhold the personal information we have marked under section 552.101 of the Government Code in conjunction with sections 730.004 and 730.013 of the Transportation Code. However, the remaining information is not confidential under section 730.004 or 730.013, and the city may not withhold it under section 552.101 on either of those grounds.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release.¹ See Gov't Code § 552.130. The city must withhold the submitted license plate numbers, issuing state, and vehicle identification numbers under section 552.130 of the Government Code.

Section 552.136(b) of the Government Code provides, "[n]otwithstanding any other provision of this chapter, a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential." *Id.* § 552.136(b). This office has determined an insurance policy number is an access device number for purposes of section 552.136. Open Records Decision No. 684 at 9 (2009). Thus, the city must withhold the submitted insurance policy numbers under section 552.136 of the Government Code.

In summary, the city must withhold the following: (1) the information we have marked under section 552.101 of the Government Code in conjunction with sections 730.004 and 730.013 of the Transportation Code; (2) the license plate numbers, issuing state, and vehicle identification numbers under section 552.130 of the Government Code; and (3) the insurance policy numbers under section 552.136 of the Government Code. The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
