October 18, 2019

Mr. Matthew Entsminger
Assistant County Attorney
Travis County
P.O. Box 1748

Dear Mr. Entsminger:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 792058.

The Travis County Sheriff's Office (the "sheriff's office") received a request for information pertaining to a specified incident. The sheriff's office claims the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the claimed exception and reviewed the submitted information.

Section 552.108(a)(2) of the Government Code excepts from disclosure information concerning an investigation that concluded in a result other than conviction or deferred adjudication. Gov't Code § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must demonstrate the information at issue relates to a criminal investigation that has concluded in a final result other than conviction or deferred adjudication. *See id.* §§ 552.108(a)(2), 301(e)(1)(A). The sheriff's office states the submitted information pertains to a case that concluded in a result other than conviction or deferred adjudication. Therefore, we agree section 552.108(a)(2) is applicable to this information. We note, pursuant to the court's decision in *City of Carrollton v. Paxton*, 490 S.W.3d 187 (Tex. App.—Austin 2016, pet. denied), and the submitted briefing, section 552.108(c) of the Government Code is not applicable in this instance. Therefore, the sheriff's office may withhold the submitted information under section 552.108(a)(2) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
