OR2019-29474

Dear Mr. Baker:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 792421.

The Knippa Independent School District (the "district"), which you represent, received a request for eleven categories of information related to named individuals or specified events.¹ You state you will release some information to the requestor. You claim portions of the submitted information are excepted from disclosure under sections 552.101 and 552.102 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

¹ We note the district sought and received clarification of the requested information. *See* Gov't Code § 552.222(b) (governmental body may communicate with requestor for purposes of clarifying or narrowing request); *see also* *City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding that when governmental entity, acting in good faith, requests clarification or narrowing of unclear or overbroad request for public information, ten-day period to request attorney general ruling is measured from date request is clarified or narrowed). In response to the clarified request for information, the district sent the requestor a cost estimate of charges pursuant to section 552.2615 of the Government Code. *See* Gov't Code § 552.2615. The estimate of charges required the requestor to provide a deposit for payment of anticipated costs under section 552.263 of the Government Code. *See id.* § 552.263(a). You inform us the district received a narrowed request in response to the cost estimate.

Section 552.101 of the Government Code excepts “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. This section encompasses information protected by other statutes, such as chapter 411 of the Government Code, which makes confidential criminal history record information (“CHRI”) generated by the National Crime Information Center or by the Texas Crime Information Center. *See id.* § 411.083(a). CHRI means “information collected about a person by a criminal justice agency that consists of identifiable descriptions and notations of arrests, detentions, indictments, informations, and other formal criminal charges and their dispositions.” *Id.* § 411.082(2). Title 28, part 20 of the Code of Federal Regulations governs the release of CHRI obtained from the federal government or other states. *See* Open Records Decision No. 565 (1990). The federal regulations allow each state to follow its individual laws with respect to CHRI it generates. *See id.* Section 411.083 of the Government Code deems confidential CHRI the Texas Department of Public Safety (“DPS”) maintains, except DPS may disseminate this information as provided in chapter 411, subchapter F or subchapter E-1, of the Government Code. *See* Gov’t Code § 411.083(a). We understand the district is authorized to obtain CHRI from DPS. *See id.* § 411.083(b)(1). Section 411.0845 of the Government Code provides, in relevant part, the following:

(a) [DPS] shall establish an electronic clearinghouse and subscription service to provide [CHRI] to a particular person entitled to receive [CHRI] and updates to a particular record to which the person has subscribed under this subchapter.

(b) On receiving a request for [CHRI] from a person entitled to such information under this subchapter, [DPS] shall provide through the electronic clearinghouse:

(1) the [CHRI] reported to [DPS] or the Federal Bureau of Investigation [(“FBI”)] relating to the individual who is the subject of the request; or

(2) a statement that the individual who is the subject of the request does not have any [CHRI] reported to [DPS] or the [FBI].

...

(d) [DPS] shall ensure that the information described by Subsection (b) is provided only to a person otherwise entitled to obtain [CHRI] under this subchapter. Information collected under this section is confidential and is not subject to disclosure under [the Act].

Id. § 411.0845(a)-(b), (d). Upon review, we find you have not demonstrated any of the submitted information consists of confidential CHRI. Therefore, the district may not

withhold any of the submitted information under section 552.101 of the Government Code in conjunction with chapter 411 of the Government Code.

Section 552.102(a) of the Government Code excepts from disclosure “information in a personnel file, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.” Gov’t Code § 552.102(a). The Texas Supreme Court has held section 552.102(a) excepts from disclosure the dates of birth of state employees in the payroll database of the Texas Comptroller of Public Accounts. *Tex. Comptroller of Pub. Accounts v. Attorney Gen. of Tex.*, 354 S.W.3d 336 (Tex. 2010). Upon review, we find the district must withhold the dates of birth you have marked under section 552.102(a) of the Government Code.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator’s license, driver’s license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release.² See Gov’t Code § 552.130(a). Accordingly, the district must withhold the motor vehicle record information we have marked under section 552.130 of the Government Code.

Section 552.147(a-1) of the Government Code provides, “[t]he social security number of an employee of a school district in the custody of the district is confidential.” *Id.* § 552.147(a-1). Thus, section 552.147(a-1) makes the social security numbers of school district employees confidential, without such employees being required to first make a confidentiality election under section 552.024 of the Government Code. *Id.* § 552.024(a-1) (school district may not require employee or former employee of district to choose whether to allow public access to employee’s or former employee’s social security number). Reading sections 552.024(a-1) and 552.147(a-1) together, we conclude section 552.147(a-1) makes confidential the social security numbers of both current and former school district employees. Accordingly, the district must withhold the social security number we have marked under section 552.147(a-1) of the Government Code.

In summary, the district must: (1) withhold the dates of birth you have marked under section 552.102(a) of the Government Code; (2) withhold the motor vehicle record information we have marked under section 552.130 of the Government Code; (3) withhold the social security number we have marked under section 552.147(a-1) of the Government Code; and (4) release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

² The Office of the Attorney General will raise mandatory exceptions on behalf of a governmental body, but ordinarily will not raise other exceptions. See Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).
