

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

October 21, 2019

Ms. Jo Ann Paté
Assistant City Attorney
City of Fort Worth
200 Texas Street, 3rd Floor
Fort Worth, Texas 76102-6311

OR2019-29555

Dear Ms. Paté:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 792191 (ORR W088742).

The Fort Worth Police Department (the "department") received a request for information pertaining to a specified incident. You state the city has released some of the requested information. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note, and you acknowledge, the submitted information consists of police officers' body worn camera recordings. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661 provides, in relevant part, the following:

(a) A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and

- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not provide the requisite information under section 1701.661(a) for two of the submitted body worn camera recordings. As the body worn camera recordings at issue were not properly requested pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information and it need not be released. However, pursuant to section 1701.661(b), a “failure to provide all the information required by [s]ubsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b). We note the instant request includes the information required by section 1701.661(a) with respect to the remaining body worn camera recording. *Id.* Accordingly, we find the requestor properly requested the remaining body worn camera recordings at issue and we will address the department’s arguments against their disclosure.

Section 552.101 of the Government Code exempts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). Upon review of the information at issue, we determine the requestor provided the information required by section 1701.661(a) of the Occupations Code for release of the body worn camera recordings at issue. However, section 1701.661(f) provides, in relevant part:

A law enforcement agency may not release any portion . . . of a recording involving the investigation of conduct that constitutes a misdemeanor punishable by fine only and does not result in arrest, without written authorization from the person who is the subject of that portion of the recording or, if the person is deceased, from the person’s authorized representative.

Id. § 1701.661(f). The department states the video recordings at issue consist of body worn camera recordings involving an investigation of conduct that constitutes a misdemeanor punishable by fine only and that did not result in an arrest. The department states it does not have permission for release from all of the subjects of the recordings at issue. *See id.* Accordingly, we find the department must withhold the remaining body worn camera recordings under section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code.

In summary, the submitted body worn camera recordings that were not properly requested pursuant to chapter 1701 of the Occupations Code need not be released. The department must withhold the remaining body worn camera recordings under section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
