

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

October 22, 2019

Mr. Eric Miller
Assistant General Counsel
Texas Department of Criminal Justice
P.O. Box 4004
Huntsville, Texas 77342-4004

OR2019-29772

Dear Mr. Miller:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 792778 (Ref. No. AL0132).

The Texas Department of Criminal Justice (the "department") received a request for personnel information pertaining to a named individual. You state you will release some information to the requestor. You claim the submitted information is excepted from disclosure under sections 552.101, 552.108, and 552.111 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.¹

Section 552.108 of the Government Code provides, in part:

(a) Information held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime is excepted from [required public disclosure] if:

(1) release of the information would interfere with the detection, investigation, or prosecution of crime[.]

...

¹ We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. See Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

(b) An internal record or notation of a law enforcement agency or prosecutor that is maintained for internal use in matters relating to law enforcement or prosecution is excepted from [required public disclosure] if:

(1) release of the internal record or notation would interfere with law enforcement or prosecution[.]

Gov't Code § 552.108(a)(1), (b)(1). Subsection 552.108(a)(1) protects information if its release would interfere with a particular pending criminal investigation or prosecution. Subsection 552.108(b)(1) protects internal law enforcement and prosecution records, the release of which would interfere with law enforcement and prosecution efforts in general. A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* § 552.301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the submitted information relates to ongoing criminal investigations by the department, and release of that information would interfere with the investigation and prosecution of the cases. Based upon this representation, we conclude the release of the submitted information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is applicable to the submitted information. Therefore, you may withhold the submitted information under section 552.108(a)(1) of the Government Code.²

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. ² As our ruling is dispositive, we need not address your remaining arguments against disclosure of this information.
