Re: Request for name of the suspect, charges, and a mugshot for incident on
08/04/2019; City ID W13256

Dear Mr. Page:

The Office of the Attorney General has received your request for a ruling and assigned your request ID# ID# 793162 (ORR# W13256, W13258, W13260).

After reviewing your arguments and the submitted information, we have determined your request does not present a novel or complex issue. Thus, we are addressing your claims in a memorandum opinion. You state you have released the information response to the first request. In this instance, the second requestor, who requested body worn camera recordings, does not give the requisite information under section 1701.661(a) of the Occupations Code. As this requestor did not properly request the body worn camera recordings at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released. You claim the remaining information may be withheld pursuant to section 552.108(a)(1) of the Government Code. Upon review of your arguments and the remaining information, we conclude you may withhold the remaining information under section 552.108(a)(1). However, you must release the basic information pursuant to section 552.108(c) of the Government Code.

For more information on the cited exception, please refer to the open government information on our website at <https://www.texasattorneygeneral.gov/open-government/governmental-bodies/open-records-memorandum-rulings>. You may also contact our Open Government Hotline at 1-877-OPENTEX.
